welcome

Welcome to Kindergarten!
What an amazing journey
we get to embark on
together! You will not
believe how much your
child will grow this year.
We have so much planned
and I can't wait to get to
know your child.

a little about me

I started teaching in 2000. I
have taught a 4/5 combo,
third and kindergarten. I have
enjoyed each grade but found
my true love with
kindergarten.

I received my under
graduate from Cal State San
Bernardino and teaching
credential from University of
Redlands.

I got married 1997. I have
two children and a dog named
Henry. We enjoy camping,
traveling and spending time
with friends.
