****SAFETY UPDATE MARIPOSA SCHOOL****

This is a reminder that beginning Monday, August 15th, Mariposa will return to a secure/closed campus. Students will need to walk themselves to their class from the school gates. I ask that you speak with your child about this expectation over the weekend. Parents who want to come on campus must have either an appointment with a teacher or a legitimate educational purpose. In either of these cases, bring your ID to check in at our front office. Additionally, the Wabash Gate will be closed promptly at 8:10 am. Please bring your child to the school office for a tardy slip after this designated time. Ensuring the safety of students can sometimes feel inconvenient. I apologize in advance and thank you for your patience and support.
