Third Grade: **Paul Klee**
Expressionism, Cubism and Surrealism

Fourth Grade: **Diego Rivera**
Missions

Fifth Grade: **M.C. Escher**
Tessellations

Artists of the Trimester-

What is that all about?

Staff focuses on specific artists for the trimester. They display the artist's work and talk about how (for example) Diego Rivera's work showcases Native and Mexican American images in California history or how M.C. Escher's Tessellations incorporates geometry and math.

We encourage families to investigate these artists as well!

Composer in the Spotlight
Tchaikovsky
