All Mariposa Families are Invited to Log In To this Virtual Concert!

Latin Grammy nominee Sonia De Los Santos has been performing her positive, multicultural, family-friendly music since 2007. Her songs are inspired by various Latin American rhythms as well as North American folk traditions and reflect her experiences growing up in Mexico, learning about other cultures, and in the process, feeling closer to her own heritage. Singing in both Spanish and English, Sonia's messages of joyful community, music making and cultural bridge-building will in-

spire and excite students and teachers of all backgrounds.

Sing along with Sonia during this 30 minute solo concert where she shares her favorite songs and the stories that inspired them.

Along with the performance link, you will be provided with a study guide, activity sheets and two supplemental videos that teach students more about Latin rhythms and Sonia's instruments.

**Window to view is Monday,
May 3rd through Friday, May 14th**

Below is the information you will need to participate in this field trip. Please feel free to contact your teacher with any questions. We hope you enjoy the show!
