- Writing
- Inquiry
- Collaboration
- Organization
- Reading

PINK

BLACK

We are insightful and reflective writers;
technologically literate; effective
communicators; and creative thinkers.

Typical Session

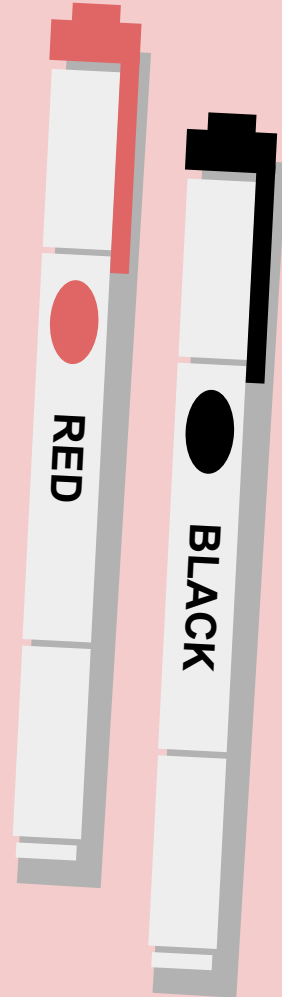

- We will begin our English class with a warm-up/opener that is kept in students' "spiral" notebooks.
- After completing the warm-up, we'll move into the lesson for the day.
- The lesson usually focuses on reading strategies, literary analysis, research, or writing, but may also include vocabulary, grammar, or listening and speaking activities.

The daily agenda as well as material and assignments are posted in Google Classroom.

The daily agenda and daily openers are also linked on my teacher page on the Moore website.

Programs utilized:

- Quill (grammar & writing)
- my.hrw.com (textbook)
- CommonLit (reading passages)
- Edpuzzle (listening & comprehension)
- Quizizz/Kahoot/Blooket (review)
- Newsela (articles)

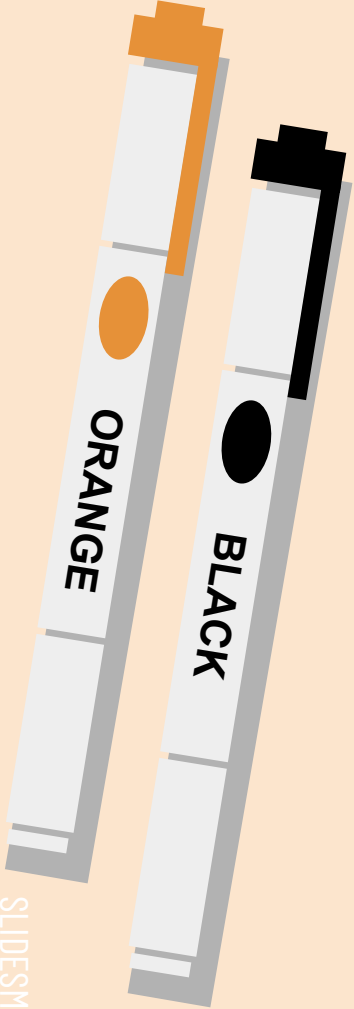

FOR STUDENTS

The daily agenda as well as class materials and assignments are posted in Google Classroom.

FOR PARENTS

The daily agenda and daily openers are also linked on my teacher page on the Moore website.

1. Go to <https://www.redlandsusd.net/moore>
2. Click on the "Teacher Pages" link at the top
3. Select "Freeman, Denise"
4. On the menu on the left, chose "Daily Agenda"
5. This will open a link to both the agenda and the openers

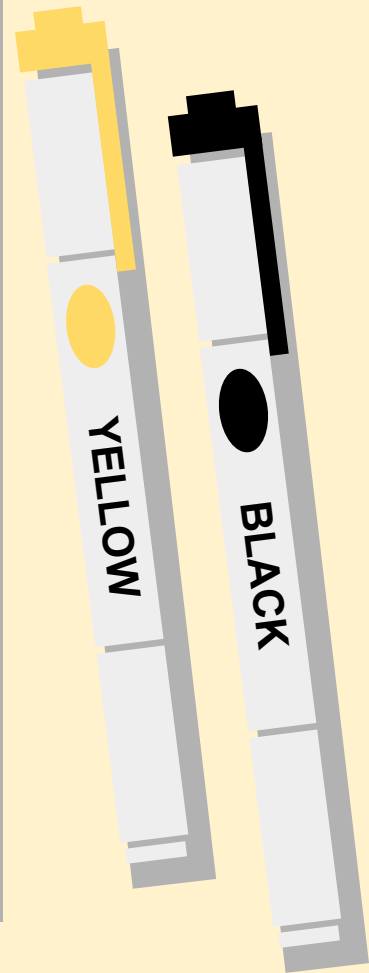

Homework & Grading

Homework generally consists of unfinished classwork (including Quill), reading of novels, and outside reading projects.

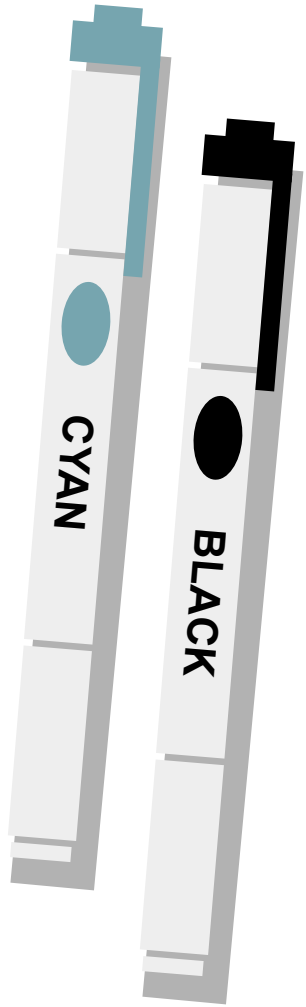

Students should utilize the daily class agenda and their personal agenda to record work that needs to be completed and due dates.

No credit will be given to work that is copied, plagiarized, or obtained through any other form of academic dishonesty.

Grades will be based on points earned. Daily work makes up 40% of the grade while assessments (tests, essay, and projects) make up 60%. Grades are updated in Aeries.

Citizenship Grades

“O” = Outstanding

- An outstanding citizen follows all school and class rules. He or she is respectful at all times and is an active participant in class.

“S” = Satisfactory

- A citizen who is satisfactory is either active in class, but may have minor issues with classroom behavior OR is well-behaved, but does not participate in class.

“N” = Needs Improvement

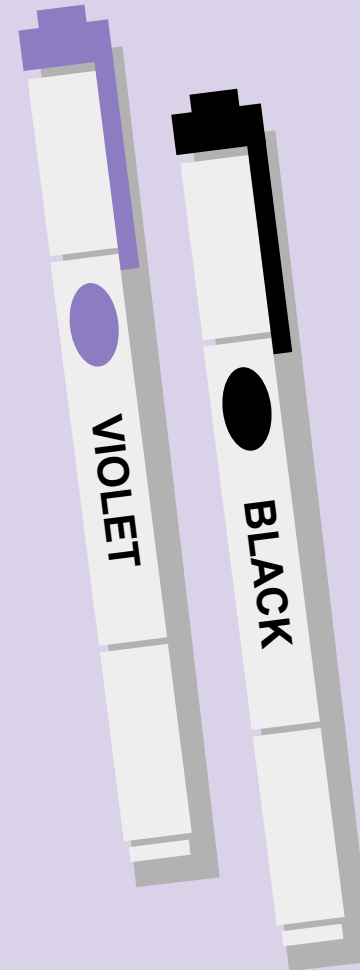

- A student who needs improvement is one who has been disruptive or disrespectful on more than one occasion. Academic dishonesty (copying another student’s work, allowing another student to copy his or her work, and plagiarism) will also earn a student an “N”.

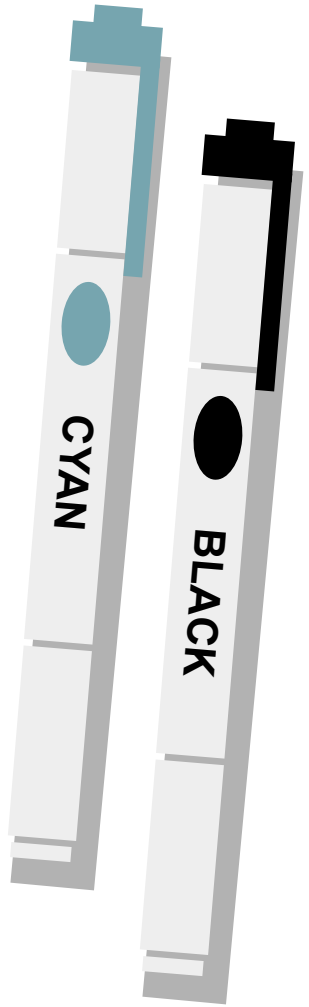

“U” = Unsatisfactory

- A student will earn a “U” if he or she is continually disruptive, disrespectful, or dishonest.

Where to go for help

- ★ I am available in my classroom before and after school most days
- ★ Students can also ask questions in Google Classroom or email me
- ★ Parents can email me @ denise_freeman@redlands.k12.ca.us

Thank you for coming!
