## WHY FEV TUTOR?

FEV Tutor takes a creative approach to deliver students the 1-on-1 support they need to grow academically. Students work with their own professional tutor on an engaging web-based platform accessible from any computer with an internet connection.

During each tutoring session, students can receive personalized support to bridge skill gaps and drive academic growth.

Tutoring is available in all core subjects, including Math, English, Science, and Social Studies!

## WHAT WILL TUTORING LOOK LIKE FOR STUDENTS?

Students will work with tutors based on their own unique needs to master grade-level learning standards. Students will work with their tutor using a synchronous two-way whiteboard with communication tools.
