**Great Job!!** Students, we continue to be impressed by your attitude and behavior! Thank you so much for wearing your masks, socially distancing from your friends (especially when asked), cleaning up your trash, following rules and trying your best in your classes. You are living up to what it means to SOAR at Cope so thank you for all you are doing to make Cope a great place to be!

**Sports at Lunch:** Please remember that students are only allowed to use the sports equipment provided by Cope Middle School. You are not allowed to bring equipment from home because we cannot guarantee it has been sanitized. Please also remember that if you play, you must sanitize your hands before getting the equipment and after putting it away. Thank you for helping keep each other healthy and safe!

**Computer Charging:** Students please be sure to **fully charge** your Chromebooks at home each night. Chromebooks need a full charge to last the full school day and charging stations in classrooms are extremely limited.

**Dress Code Reminders:** Please remember to dress appropriately for school. Spaghetti straps, bandeaus, halter tops, and bare-midriff tops of any kind are not allowed. Additionally, garments with violent or suggestive language or images, or garments promoting drugs, alcohol, or weapons are also not allowed. Students caught wearing any of these items will be “dress-coded” and asked to wear an alternative shirt for the duration of the school day.

**Attention 6th and 7th graders:** ASB Applications for the 2021-2022 school year are now available on the grade-level Google Classrooms. Be sure to read carefully and complete all parts.
