Attention Students- If you are interested in learning math through coding and robotics, apply for C-STEM! C-STEM is a Math and Exploratory program for 7th and 8th grade students. See your grade level Google Classroom for the application and more information.

Attention Current 7th Graders: Are you interested in travelling to Washington DC, Philadelphia, and other historic sites on the East Coast next year when you become 8th

It is not a school or district sponsored field trip.

Dress Code Reminders: Please remember to dress appropriately for school. Spaghetti straps, bandeaus, halter tops, and bare-midriff tops of any kind are not allowed. Additionally, garments with violent or suggestive language or images, or garments promoting drugs, alcohol, or weapons are also not allowed. Students caught wearing any of these items will be "dress-coded" and asked to wear an alternative shirt for the duration of the school day.

Computer Charging: Students please be sure to **fully charge** your Chromebooks at home each night. Chromebooks need a full charge to last the full school day and charging stations in classrooms are extremely limited.
