Online Reminders: Please remember, students, that you need to display your first and last name and have your camera on so that your teachers can see you to take attendance. You are required to attend each class every day, per the rotation schedule, and to participate in the various learning activities your teacher determines to be necessary for online instruction. Please remember, attendance and grades both count like they normally would if you were on campus in the classroom. Please be engaged appropriate so that you, your classmates, and your teachers, can have the best possible learning experience. – Principal Lock

Students- I know that Distance Learning is difficult. Just remember, in the words of Jon Gordon, “You are GREATER than your circumstances and more COURAGEOUS than your fears. The struggle is real but you are strong. Life is tough but you are tougher.” Keep SOARing in all you do- you’ve got this!

Attention 8th Graders- Now is the time to apply for CJSF, California's top honor society. Access the application at the 8th grade ASB Google Classroom or the CJSF Google Classroom. Even if you were a member last year, you need to reapply as membership only lasts one semester at a time. Deadline for applications is September 30.
