

REDLANDS HIGH SCHOOL TARDY POLICY

Redlands High School believes that success in school is dependent upon punctual, regular attendance and quality instructional minutes. It is also our goal to instill skills necessary for college and career readiness, including but not limited to: responsibility, organization, punctuality and respect. To this end, students must regularly attend class on time, ready to learn.

Tardiness is defined as:

1. A student who is not in his or her classroom or assigned instructional area when the bell rings.
2. Any student who is tardy by more than 30 minutes will be regarded as an unexcused absence for the period.

Consequences – By period and cumulative.
