

# AP Exam 2021 Quick Links for Students and Parents

The College Board has provided the following resources to help you prepare for your upcoming exams. We encourage you go through them prior to testing to ensure that you are prepared for any tech or logistic challenges that you may encounter. Choosing not to do so might put you at a disadvantage on the day of your exams. We know that this new testing reality has left some of you feeling overwhelmed, but we are confident that you are ready. Please remember that there is no stronger or better prepared group of AP students and teachers, and that you are a valued part of THE LONG BLUE LINE. You've got this Terriers!
