

RHS Credit Advancement Summer School 2022
Important information for grades 9-12

General Information

Summer School classes for Redlands High School students will be held **in person, for all students** at Redlands High School, 840 E. Citrus Ave., Redlands, CA 92374. The summer session is divided into two semesters, each five (5) credits.

Breakfast and lunch will be available at no cost.

Dates and times:

First Semester	Second Semester
June 20 - July 8 (14 days) No school July 4th Time: 8:30 a.m. to 12:30 p.m. Tutoring: 12:45 - 1:45	July 11 - July 28 (14 days) Time: 8:30 a.m. to 12:30 p.m. Tutoring: 12:45 - 1:45

Registration

The online process to register will open March 7th at 7:00 am. A link to the registration page will be provided on the RHS website: <https://www.redlandsusd.net/rhs>. Registration is limited to staffing and once enrollment capacity is met, student registration will move to a waiting list based on the timestamp during registration.

Summer School class lists will be available June 6, 2022. Information will be emailed in June confirming enrollment.

Courses offered (grade level):

Integrated Math II/III Honors Bridge (9)	American Government (12)
Biology (9-12)	Economics (12)
Chemistry (10-12)	World History (9-12)
Art (9-12)	US History (11-12)
Physical Education (9-12)	

Attendance

Attendance is extremely important in these condensed semesters. Students will be allowed to miss a maximum of six (6) hours per semester, regardless of the reason. A tardy constitutes a loss of one hour of attendance. Students accumulating more than six (6) hours of absences due to full period absences and/or tardies will be dropped from class.

Students are required to attend the first day of class or they will be dropped.

Any student who does not complete a course by July 28th will be required to retake the course, no exceptions.

Behavior

Behavioral expectations required during the traditional academic year remain in effect during summer school and students who do not meet those expectations will be dropped from the summer school program.

Academic Requirements

Competency-based classes in English, Math, Science and Social Studies are academically rigorous. Students enrolling in these classes should be prepared to devote a significant amount of time both in and out of class. Students are expected to attend tutorials if subject area competency is not achieved. All classes must be completed at the end of summer school.
