| Password example | 1234567890 | 1234567890 | 994000001 |

Where to find the info in Aeries: **Student data, Demographics tab, Data 2 tab**

The screenshot shows the Aeries Student Information System interface for a student named Allan (AJ) Abbott. The interface includes a sidebar with navigation options like Home, Student Data, Profile, Demographics, Supplemental, District Supplemental, and Attendance. The main content area displays student information in a table format. A blue box labeled "Google Account Info" points to the "Student Data" tab in the sidebar. A blue box labeled "Computer Login Info" points to the "Network Login ID" field in the student data table. A red box labeled "Illuminate (SSID only)" points to the "Perm ID#" field in the student data table.

All student accounts are on the RUSD domain.
