Dear Parents and Families of the Graduating Class of 2019:

### **About Senior Tributes:**

Please join us in our pursuit towards distinction by ordering a Senior Tribute Ad. Senior Tributes create a personal part of the yearbook for your seniors year that commemorates their time here at REV. Parents often tell us that having their student be a part of the dedication section is an enjoyable way to remember this defining moment in their student's lives. The Odyssey has a special section for friends and family of REVHS seniors to dedicate as much as a half page and as little as an eighth of a page to a student's accomplishments.

There are several choices to be made when you purchase an ad: first you will need to choose which size you would like- half page, quarter page, or eighth page. If choosing half page, select a sample layout. All ads are in full color. The messages should be encouraging, praiseful, and typed. Decide upon the photos you would like to include. Please follow the specific instructions for photos on the order form. Finally, submit your order form, payment and an envelope with the photos and message to the Finance Department.

Please DO NOT create your own Tribute Ad. Part of our students' curriculum and life skills experience on staff is to apply communication and digital skills. In addition, the staff creates a unified theme and design standard for the entire book including the Senior Tribute ads. We ask that you allow them this opportunity. If you have any questions, don't hesitate to contact our staff at 389-2500 ext. 33846.

Ads for Early Discounted pricing are due by September 21; Regular pricing is due by November 16; and Late pricing will be accepted until January 18, 2019 with an additional charge of \$95.00 for a publishers rush fee. Please make checks payable to Redlands East Valley High School or log onto the REV website to purchase by credit.

Thank you for taking the time to honor your senior. We hope that we can be helpful in celebrating this milestone.

Sincerely,

Aaryn Reynolds
