

Behavior Expectations

eAcademy's discipline program is **positive** and emphasizes good behavior (e.g. good choices, character and leadership attributes) towards peers and adults on campus as well as online.

For student behaviors that are detrimental or unsafe towards themselves or other students/staff during the school year, there will be supports put in place to help students improve from these choices.

If students continue with these behaviors towards others, an evaluation shall be conducted which may result in termination of the independent study agreement and the student's return to a regular classroom or alternative instructional program (if available).
