## Library Expectations

# PRR...

**Positive** – Share what you learn and work together with others. Let us know your interests and titles you would like to see available for checkout in our library.

**Responsible** – We expect excellent behavior when you come to the library. This is *our* place to learn and work together. Following the library expectations, caring for our books and our space, and returning your books on time helps to keep the library a useful and enjoyable place to visit.

**Respect**– This is a big one! Respecting yourself, your friends, your teachers, AND your library materials helps keep the library functioning. We are proud of our library, and we need your help to keep it that way.

### Textbook Policies

1. Each student is issued one set of textbooks.
2. Students are held accountable for the exact books (identified by barcode) that are checked out to them at the beginning of the year.
3. The sets range in value from \$240-\$300! Students are charged for damages or loss of books, so please keep them in a safe place.

Unfortunately, we do not have enough textbooks to offer second sets. If you are a student who travels between households, the following options are available:

1. English, Math and Science textbooks are available online from any computer with internet access! Visit Beattie's website for info.
2. You may purchase another set of books from sites such as amazon.com. Textbook titles and ISBN numbers are available on the Beattie website (Library tab, click Textbook Policies).
