ABOUT ME

My name is Tiffany Feduska, and I am very excited to be joining the Mentone Elementary Family as your second grade Expanded Learning Program Teacher!

I look forward to working with students across 2nd grade, and building learning adventures for our Exploration Experience program after school!

My experience

I am a graduate of The Ohio State University (B.A. in English Literature), and received my multiple subject credential from National University. I have an extensive professional Broadcasting and Journalism background. I've been involved in the Redlands Unified School District for 15 years (Speech & Debate, Literacy and Music Enrichment), and also as a substitute teacher.

My FAVORITES

I love Redlands! It's been my home for 30 years, and I've raised my two children in our wonderful schools.

I enjoy finding creative ways to strengthen students' learning experience. I look forward to harnessing your student's strengths and interests to make this their best year ever!
