FRESHMAN READY MATH COURSE**

(one semester/session)

The course targets students who struggled with math in 8th grade. It is designed to prepare incoming 9th graders for Integrated Math I.**

***This class will be offered on campus only.**

****It is highly recommended to take this class in person on the RHS campus.**

ENGLISH LANGUAGE DEVELOPMENT**

(one or two semesters/sessions)

This course targets the development of the English language for students whose first language is not English. It is designed to help EL students be successful in their core classes in 9th grade, with an emphasis in reading, vocabulary, and writing.**

STUDY SKILLS*

(one or two semesters/sessions)

This course targets students in the mild-moderate programs (RSP/SDC). It is designed to help orient students to the RHS campus and learn the skills they need to succeed as they prepare for 9th grade. Some topics include general academics, SEL, and orientation to the RHS campus.*
Each student must have an active IEP.
