Wes Cullen  
Principal

Jeff Wray  
Assistant Principal

Dear Viking Families:

The Redlands Unified School District is excited to share with you that your student will be using the following curriculum this school year:

- English Language Arts: *Collections*
- Social Studies: *Discovery Education*
- Math: Carnegie *Learning*

Although your student will have access to a traditional textbook in the classroom, we have joined a growing number of schools across the country turning to online textbooks for access in the classroom, from home, or any location. This online component has many advantages including, but not limited to:

- 24/7 easy online access
- The ability to highlight and notate on the pages of the e-book
- Student responses and notations pre-saved
- Cannot be lost or damaged
- Do not require transporting heavy texts
- Capability for text to be read aloud
- Hyperlinks available
- School computers are available for student use outside of the school day. (Please check with your site for times.)

All students have access to the electronic textbook. If you prefer that your child use the hardcopy textbook, please fill out the portion below and have your student take the signed copy to your child's school to receive their textbook.

Sincerely,

Wes Cullen  
Principal

---

I prefer my child to have a physical copy of his/her textbooks. I understand my child will be responsible for any loss or damages that may occur to the book. I am aware that my child may be required to carry their textbook to and from school each day.
