Welcome Viking Families to the 2021-2022 school year!

I hope you and your family are well, and are enjoying your summer together! We are so excited to have all of our students and staff back on campus to start our school year! First, I would like to assure our Clement family that as the beginning of the school year approaches, we are committed to abiding by all required health and safety measures as dictated by our Board of Education and District Office Administration. As new updates or changes arrive, I will continue to notify you via phone, email, and text updates prior to our first day of school on Wednesday, August 11th.

Please make sure to log into your Aeries Parent Portal account, to select your Communications preference from our school site. You may choose phone only, text only, email only, or you may select a combination of all three; it's up to you!
