

# Moore Middle School Electronic ID

We are partnering with Cherished Memories for you to take your school ID photo virtually. It is as easy as taking a selfie, and if you are unhappy with your photo, you have the opportunity to retake your photo on the spot.

To complete this process, click on the link below and enter your Student ID number and hit start.

<https://high5.id/p/kdv7n>

Your Student ID is easy to find on your Aeries Portal account! Log-in to your account and go do the demographics page. On the left of the chart, you will see **Student ID**. This is a nine-digit number. This is also the number that students use as their password for their Google log-in. Enter this number and select "start."

Next, you will see directions on how to take your picture. After reviewing the directions, click "start." Once the page loads, allow access to the camera. An image of Moore Middle's ID card will appear.

To take the photo, hit the camera icon in the center bottom of the screen. After hitting the camera button, review your photo. Please make sure your picture is school appropriate. Each individual picture will be reviewed for appropriateness. If you like your picture, select "Looks Good!" If you are unhappy with the photo, select "Retake". When you select "Looks Good!" You will be asked to fill in **guardian email, guardian phone**, student email, and student phone. Hit submit after completing all information. Student email and phone are optional. If you enter an address in student email, it needs to be the same as your guardian email, as school email addresses do not receive emails from addresses outside of Redlands Unified. Guardian email is mandatory, as this is how you approve the ID.

Finally, you will enter a password. Please make sure you remember this password because you will need it to access your digital ID card in the future. Once your picture has been approved you will be able to access your school ID digitally from any device that has internet. As a reminder, please make sure your clothing follows school dress code in order for your photo to be approved! This is NOT your yearbook photo...those are currently scheduled to be taken in January.

If you need support with this process, please reach out to the following email address:

[id@cherishedmemoriesphotography.com](mailto:id@cherishedmemoriesphotography.com)

Spread the word, tell your friends, let's see if we can reach the goal of 80% of the student body's ID pictures completed by the first day of school...or even better, by Chromebook distribution!
