

MOORE PTSA

2020-2021

Welcome to the Moore Middle School Parent Teacher Student Association! The PTSA promotes parent, teacher, and student involvement. We want to encourage your entire family to join. This year's PTSA Board consists of some amazing parents and students who volunteer their time and incredible talents to help our school community. We want YOU to join in on our efforts.

An important role of the PTSA is to be a voice for parents and students here on campus, in our district, and in our state and national legislative arenas. The PTSA hosts Morning & Evening with McCue where Principal McCue and Assistant Principal Heidi Van Deventer provide parents with current information on the school, students, family engagement, and other up-to-date topics. You are also invited to PTSA meetings on the first Tuesday of each month at 6:00pm (additional information available on the Moore website). If you have a concern or idea, sharing it through PTSA is the way to be heard!

Moore PTSA membership supports many events and activities:

- School gifts such as water bottle filling stations, increased shade in the quad area, books for the library, a washer/dryer to clean PE clothes, an ice machine for Moore band members and PE students, a golf cart for safe and efficient way for administrators to get across campus.
- Donations of craft supplies for "Project Room"
- Battle of the Books
- Scholarships supporting MMS student clubs
- Reflections cultural arts competition
- Moore Mile and Jog-a-thon
- High School Scholarships
- Morning & Evening with McCue
- Volunteers for picture day, vision & hearing screening
- Donations and chaperones for school dances and snack bar
- Staff Appreciation luncheon and Honorary Service Awards
- PTSA members have access to discounts at partnering businesses such as Google Express, Aquarium of the Pacific, and much more.

I hope to see you virtually at an upcoming event, and in person in the not-too-distant future.

Go Monarchs!
