

# Moore Middle School

## Student Guide for Return to School

M

**Mask** up Monarchs! Masks are required on campus at all times.

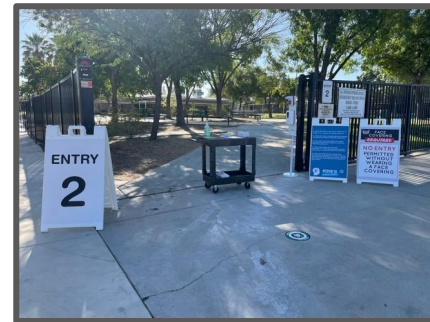

O

**Only** students may enter through our gates. You may enter at the front of the school, Highland Ave, 5th Avenue, or the L-wing gate at Redlands circle. **There is not an approved Dearborn entry.**

N

**No** water fountains are available to drink directly from. Students should bring a refillable water bottle to use at a water filling station.

A

**ASB** and **WEB** students will be at every gate to greet you and show you where your first period class is located. We will make sure you get there!

R

**RAPTOR** in remotely and save time at the gate! Take a screenshot of of your verified health screening and show staff at the gate when you get your temperature checked. An email will be sent to your parent's email for check-in.

C

**Chromebooks** and chargers will be needed each day! Make sure your Chromebook is a district issued device. Personal devices will not connect to our network!

H

**Health** Questionnaires will be required at every gate. If you show your pre-screening verification, you will not be asked questions but will still have your temperature taken. The Health Questionnaire is 5 questions about if you have had any COVID symptoms.

S

**Social** Distancing is required! Don't forget to remain 6 feet away from friends while in general areas on campus. You will be seated 3 feet apart in your classrooms.

**School** supplies you may need will be posted in your Google classrooms. Bring what you have! All students received a pencil pouch at the beginning of the year with textbook checkout.
