AM I STILL GOING TO BE A PART OF THE YEARBOOK?

Yes, you are still going to be a part of the yearbook from home.

Our staff will be asking for quotes and photos throughout the year, so be sure to check your assigned grade Google Classroom and your email for announcements from the yearbook staff.

WHY WOULD I BUY A YEARBOOK DURING A PANDEMIC? WHAT'S THERE TO OFFER IF STUDENTS ARE ON THE COMPUTER ALL DAY?

If you buy a yearbook, you can look back at all of the things that happened during this time. We are still living and learning!

We still want to document all that's happening. What's a yearbook for if not something to look back on to remind us of all we had to go through?
