

What is eAcademy?

We are a K-12 school in Redlands Unified School District. We offer two types of independent study to fit *your* students needs, blended learning and RISE.

We are open to students from *both* inside and outside Redlands Unified School District boundaries. We accept students who reside in the counties of San Bernardino, Riverside, Inyo, Kern, Orange, and Los Angeles.

We have the same start dates, vacations and end dates as all other RUSD schools.

Free, public K-12 Blended Learning School

Live sessions 2-3 days per week in a small group setting

18-25 hours weekly independent work required

Students that are successful with Independent Study--

- work hard to accomplish tasks without being told to do so
- ask for help when they get stuck
- build a schedule for themselves, and stick to it
- respond well to one-on-one tutoring and support
- have a supportive adult around to help keep them motivated
- are goal-oriented

BLENDED LEARNING Program

Blended learning combines the best of face-to-face with online and independent learning. Our students work 2 to 3 days a week face to face and 2 to 3 days a week at home independently.

RISE Program

Redlands USD students can receive their education through **independent study**. All students remain registered at a home school and can return to that school at any time.
