### California Vaccines for Children (VFC) Program

Children eligible to receive VFC must be 18 years of age or younger and:

- Be eligible for Medi-Cal or CHDP
- Have no insurance
- Are American Indian or Alaskan Native

Children covered by Healthy Families are not eligible for the VFC Program at this time.

There is an administration fee of \$10.00 per shot or oral dose, based on ability to pay. **No child is turned away if they cannot pay.** Parent or Authorized Representative adult needs to bring shot records, identification, and the child's Medi-Cal card (if you have one).

Please bring your child's yellow immunization card if you have one.
