

REV Summer School 2022 Important Information

General Information

Summer School classes for high school students will be offered **on campus** at Redlands East Valley High School. You may contact the school at (909) 389-2500.

The summer session is divided into two semesters. During each semester, there is an opportunity to earn five (5) credits.

Dates and times:

First Semester

June 20 - July 8 (14 Days)

8:30 AM to 12:30

No School July 4th

Second Semester

July 11 - July 28 (14 Days)

8:30 AM to 12:30

Course Requirements

Students will be completing all courses **in person, on campus**, using the Edgenuity program. Students should expect to spend at least four hours per day working on course content, in order to complete the course within the summer school timeline. Students enrolled in a science course will also have labs to complete.

Attendance is extremely important in these condensed semesters. Students will be allowed to miss a maximum of six hours per semester, regardless of the reason. A tardy constitutes a loss of one hour of attendance. Students accumulating more than six hours of lost attendance will be dropped from the class.

Behavior

Behavioral expectations required during the traditional academic year remain in effect during summer school and students who do not meet those expectations will be dropped from the summer school program.

Academic Requirements

Students are required to attend the first day of class or they will be dropped from summer school. Students that are not making progress toward course completion will be dropped.

Competency-based classes in English, Math, Science and Social Studies are academically rigorous. Students enrolling in these classes should be prepared to devote a significant amount of time both in and out of class.

Best,

Erik Dahnke, Ed.D.

Redlands East Valley
