Dear REV Families:

Summer school credit advancement provides students the opportunity to take a course in the summer to get ahead or open a space in a student's schedule for another elective/program. Summer school credit advancement requests will occur through a Google Form that will be available starting on **Thursday, March 11 at 8am.**

Students must be signed into their Google Account for the link to work. <https://forms.gle/jmuqkkwhSN1o9Vt2A>

Credit Advancement courses are free for students to complete. Courses will be completed using an online platform, Edgenuity. Registration is limited to staffing, and once enrollment capacity is met, student registration will move to a waiting list. Incoming 9th graders may request summer school credit advancement, but priority will be given to incoming 10-12th grade students that complete the summer school request form during the first five days it is available.

There may be an opportunity for some students to participate in in-person instruction at the REV campus pending CDC guidelines.

Information about course availability and tentative dates are outlined below. Some courses are only available to specific grade levels of students.

Tentative Summer School Dates:

1st semester: June 17-July 6 (14 days) no school July 5

2nd semester: July 7 - July 26 (14 days)

Tentative Summer Credit Advancement Courses:
