

# COPE MIDDLE SCHOOL

*A California Gold Ribbon School*

Dr. Stephanie Lock, *Principal*

Mr. Chris Ruhm, *Assistant Principal*   Mrs. Robin Gonzales, *Assistant Principal*

September 1, 2020

Dear Cope Families,

We have some exciting news to share with you! As part of the USDA Community Eligibility Provision (CEP) program, **all** school meals will now be provided at **NO COST** to **all** RUSD students for the 2020-2021 school year, regardless of family income. Cope was one of the schools that participated in the CEP program during in the 2019-2020 school year, so we are excited that this option will continue for the current school year as well.

One of the requirements of the CEP Program is that families complete the Educational Benefit Survey by September 14, 2020. Completing this survey, helps insure RUSD receives the necessary resources to continue to provide all students with the highest quality of education and receive funding for instructional materials such as computers, books, school supplies, and more.

To complete the survey, please visit <https://rusdnutrition.org/?page=CEP> or visit the Cope website at <https://www.redlandsusd.net/cope> (find the “Nutrition” circle, just above the “Announcements”); click on it to go directly to the Child Nutrition Page. The *Educational Benefit Survey Tab* will be on the left hand side. Click on the tab to go directly to the survey; it will take about two minutes to complete.

Please remember that this program is for all RUSD students which is why we need all families to complete the survey. Please note: only one survey needs to be completed per household.

Thank you for your support.

Sincerely,

**Dr. Stephanie Lock**

***Principal***
