

Cope Middle School

2023 Summer Program

Classes Offered

Student Enrichment Programs

These classes introduce students to a variety of programs to enhance their Summer School experience. These 2-hour classes include:

Drama - Focus on basic skills and vocabulary and introducing students to improv, monologues, and scenes. The class will be both informative and fun.

Career Exploration – Students will be exposed to a variety of vocational opportunities.

Sports – Focused on Athletics and team sports

SOARing in Middle School - Designed to offer strategies to manage emotions, resolve conflict, and build resilience in students while having fun and engaging activities that support their academic, social, and emotional learning.

Art – An introduction to various art techniques.

Band Introduction or Orchestra Introduction

These classes introduce students to musical instruments and the middle school music program. Students with little to no prior musical experience are encouraged to enroll. (2 hours)

Chorus Introduction

This class introduces students to chorus at the middle school level – no experience is necessary! Students will explore skills in music literacy, proper vocal technique, and ensemble singing. Students will have a small performance for families at the end of the Summer School.

English Bootcamp

Get a jumpstart and review your skills! Learn about the use of literary devices, vocabulary, reading analysis and comprehension through literature. Practice and develop writing skills. (2 hours)

Math Bootcamp

Get a jumpstart and review grade level math practices. Refresh on terminology and math concepts and build on your foundational skills. (2 hours)

Social Skills/SPED English or Social Skills SPED/Math

Focus on practicing social skills, such as active listening, making eye-contact, good manners, managing time, respectful practices, effective communication, and Cope SOAR expectations. In English, students will focus on the English Bootcamp content above and for math, students will focus on the Math Bootcamp concepts. (2 hours)
