Board of Education's Adopted Criteria:

- Each Trustee Area shall contain a nearly equal number of inhabitants
- Each Trustee Area shall be drawn to comply with the Federal Voting Rights Act
- Each Trustee Area shall be contiguous, as much as possible
- Trustee boundaries shall respect communities of interest*, as much as possible.
- Trustee boundaries shall follow man-made and natural geographic features, as much as possible

In addition, Boards can elect to use other criteria so long as they do not violate the Federal Voting Rights Act. Recognizing that Redlands Unified School District serves the cities of Redlands, Highland, Loma Linda, San Bernardino and the communities of Forest Falls, and Mentone, as well as unincorporated areas of the County, the Board's desire for its Trustees to represent the *entire district* rather than specific areas. Therefore, to accomplish its goal additional criteria to be considered are:

- Each Trustee Area shall include portions of at least two cities or communities
- Each Trustee Area should contain portions of two High School attendance boundaries
- Each Trustee Area must contain multiple school sites (physical location) within its boundaries
- Each Trustee Area must contain multiple elementary or middle school attendance boundaries within its boundaries
