2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Bryn Mawr Elementary School, built in the city of Loma Linda in 1993, serves a diverse student population in grades K-5 with an average class size of 25 students in grades TK-3 and 35 students in grades 4-5. It is the only Redlands Unified School District school in Loma Linda and is one of the largest elementary schools in the District with a student population of approximately 680 students. Loma Linda Medical Center acts as an international magnet for employees, medical students, and patients. The city of Loma Linda lays claim to this renowned institution, as well as being one of the Top Ten places to live and thrive in the United States. As a result, our school is comprised of a richly diverse student population originating from each U.S. region and almost thirty countries. 13% of the students speak English as a second language. Even though the school is located in an upper middle-class residential area, Bryn Mawr is a Community Eligibility Provision (CEP) school. This means that due to our high socially-economically disadvantaged population, all students qualify for free breakfast and lunch under this program.

The staff is comprised of 24 certificated general education classroom teachers, 4.5 special education teachers, 1 School Counselor, 1 enrichment teacher, 1 Speech teacher, a part-time school psychologist, 1 Assistant principal and 1 Principal. The hard working, dedicated staff recognizes the seriousness of educating young people to be life-long learners and competitive in

a global economy. Support staff (custodians, food service workers, secretaries, instructional assistants, etc.) coupled with the teaching staff partner with parents and our local community to provide quality, standards-based instruction for all students within an educational environment where caring for kids is paramount. All staff members recognize and model appropriate, dignity-building interactions with students. The students' academic and emotional development is the primary focus of our school as evidenced by our effective strategies, programs, and interventions. Students receive character education through participation in the Leader in Me system, which equips our students with leadership habits to be "life-ready" and successful in whatever their endeavors. One needs only to walk the halls of Bryn Mawr to see and experience the accepting, loving, and supportive culture and climate of the school with its well behaved students.

Bryn Mawr's quality in education is validated by the following accolades:

- Bryn Mawr was selected to receive the Theresa P. Hughes Family-School Partnership Award (one of 9 schools selected state-wide with 1,500 schools submitting applications) in 2001.
- In 2001, Bryn Mawr was honored to receive Golden Bell Award in the area of Parent Involvement and received special recognition in the area of Building Developmental Assets.
- In 2002, Bryn Mawr was selected as a California Distinguished School
- In 2003, Bryn Mawr was selected as a California Title I Achieving School.
- In 2003, Bryn Mawr was nominated as A California Blue Ribbon Nominee
- In 2004, Bryn Mawr was selected as a California Title I Achieving School
- In 2006, Bryn Mawr was named as a California Distinguished School-Honorable Mention Award
- In 2007, Bryn Mawr received the Title 1 Achieving School Award
- In 2018, Bryn Mawr was named as a California Distinguished School
- In 2019, Bryn Mawr became a Leader In Me school
- Bryn Mawr has received the California Business for Excellence in Education award in 2011, 2012, 2013, 2014, 2015, 2016, 2017, and 2018.

We believe:

- Every child has a right to a quality education and can succeed;
- Every child has a right to a safe and nurturing educational environment;
- Every child has a right to a variety of learning opportunities challenging him/her to take the next step intellectually;
- Every child has a right to be educated in an environment of mutual respect and human dignity;
- Parental involvement is crucial for student success at all grade levels;
- High expectations are essential for student achievement;
- Learning is a life-long experience.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The California State Board of Education reviews elementary level textbooks and adopts those that meet standards defined in the State Frameworks. Textbooks are selected in the Redlands Unified School District through a committee of teachers and administrators. All materials have been reviewed by teachers and administrators and pilot programs run at school sites prior to selection of each textbook. All core textbooks are State approved and aligned to the State content standards. All students including English Learners are issued a Math, English, Science, and Social Studies State-adopted textbook to use in class and to take home to complete required homework assignments. Each year new consumable materials are also supplied to all students. Copies of student textbooks are available for parent review at the District Instructional Resource Center.

Supplemental computer software programs that support the learning of state standards include Accelerated Reader (motivates reading), Rosetta Stone (ELL), TenMarks math program, and Mystery Science (NGSS-based science instruction and experimentation). PEP and Houghton Mifflin Early Literacy materials are used in our Reading Intervention Program. 95% Group reading Intervention also supports students in grades K-5.

School Facility Conditions and Planned Improvements

Bryn Mawr is one of the newer facilities in the Redlands Unified School District having been built in 1993. The school is made up of 34 classrooms. As well as having the standard features of a traditional elementary school, it also has a few unique items such as:

- Laptop carts in each Transitional Kindergarten through 5th grade classroom providing 1:1 student-to-laptop ratio.
- Ceiling mounted LED projectors
- Digital document cameras
- Mimio interactive "Smart Board" style technology
- Teachers have use of Surface Book 2 laptops wirelessly connected to LED projectors
- A computer network to all classrooms providing Internet access to all classrooms
- An outdoor amphitheater
- A shared facility use with the City of Loma Linda regarding Leonard Bailey Park featuring two baseball fields and two tennis courts
- A schoolwide paging and address system
- A networked STEM lab available to all students accessible.

Students and staff work hard to keep the campus clean and safe. A litter-free environment is emphasized. Custodians clean the campus daily.

Maintenance and Repairs

When maintenance and repairs are needed, the site custodians are notified. If the repair cannot be made by the site custodians, a work order is processed putting District maintenance staff in motion to make the necessary repairs. The District work order process ensures effective service and that emergency repairs are given the highest priority. The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at www.redlands.k12.ca.us. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. School site custodians clean classrooms daily and the school district provides a grounds crew to maintain landscaping and lawns.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

| Grade 9 | N/A | N/A | N/A |

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Bryn Mawr School is very fortunate to have the active involvement and support of our parent community. Parent volunteers support the school program with their participation as members of the Parent Teacher Association, School Site Council, English Learner Advisory Committee (ELAC), classroom helpers, and numerous family events and activities throughout the year such as Grandparents' Day celebration, Book Fairs, Winter Carnival, STEM Family Night, Valentine's Day dance, and Multicultural Day. None of these activities would be possible without the support of our parents and PTA. In addition, parents are also part of the site Safety Committee where parental perspectives on issues are used to develop plans for school safety practices and procedures.

2020-21 Chronic Absenteeism by Student Group

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject | School 2018-19 | School 2020-21 | District 2018-19 | District 2020-21 | State 2018-19 | State 2020-21 |

| Expulsions | 0.00 | 0.00 | 0.02 | 0.00 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Bryn Mawr School utilizes data from its California Safe School Assessment and suspension/expulsion reports to evaluate the current status of school crime. A Safe School Plan is adopted each school year and is reflective of the school's safety needs determined with the help of the school safety committee. The key components of Bryn Mawr's Safe School Plan include a description of school discipline policies and procedures, dress code guidelines, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, dangerous pupil notification, and disaster response procedures. To ensure student safety during arrival, campus monitors, teachers, the Assistant Principal and the principal supervise the school grounds including the bus drop-off area, cafeteria, and playground. All access gates are monitored by staff during arrival and dismissal. During the school day all campus access points to school grounds are locked with the exception of the front entrance, which is through the administration office. The front gate is closed during the school day, and signs are posted to advise all visitors that they must report to the administration office and may not be on school grounds unless they have a visitor's pass that has been processed through the Raptor Visitor Management System. During the school day there is only one access point onto campus through the front office. After school, teachers supervise students by having a presence outside their doors. Duty assignments are given to teachers, campus monitors, the Assistant Principal and the Principal to supervise the bus loading area and pickup areas until all students have left the campus. Bryn Mawr has additional perimeter security fencing which ensures we have a secure campus, and enhances the safety of our staff and students during the school day. The Comprehensive School Safety Plan (CSSP) was reviewed and passed by the School Site Council at their meeting on October 26, 2021.

D. Other SARC Information

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2018-19 Elementary Average Class Size and Class Size Distribution

2020-21 Types of Services Funded

Summary of Strengths Learning Environment

Staff and parents set high standards and expectations for student achievement and behavior. Students and staff are proud of their school. School wide recognition of student achievement and citizenship is provided so that each student has the opportunity to be recognized for exemplary citizenship and achievement. Weekly recognition assemblies, trimester awards assemblies, attendance incentives, reading dog tags, field trips, family events, and positive reinforcement within classrooms all assist staff in recognizing students for good work or citizenship. All of this contributes to an outstanding learning environment where students want to attend.

Health and Wellness

Bryn Mawr School stresses both a healthy mind and a healthy body. Instruction in this area integrates many curricular areas. In addition to the district's curriculum goals, children apply knowledge that will enhance their quality of life by offering strategies for a healthy lifestyle with the such things as PE health curriculum, themed assemblies, and healthy cafeteria food.

Literacy Instruction

Primary and Intermediate teachers have been trained in literacy strategies to help students become proficient readers and writers. Staff development in "Thinking Maps", and "Write from the Beginning" have empowered teachers to be more effective. It has been exciting to see the progress of students due to the intervention and hard work of teachers. Classroom teachers are also working toward GLAD certification through online training.

Class Size Reduction

Due to reduced state funding for public education, there has been a steady rise in class sizes. Class sizes for Transitional Kindergarten and Kindergarten are 20 students on average. In grades 1-3 class sizes are 25:1 on average, while grades 4 & 5 pupil-to-teacher ratios continue to be 35:1.

Student Organization - The Academic Organizer has made a tremendous difference in the ability of students to organize themselves to be successful. School wide implementation of the organization tenants of the Academic Organizer has made this a very successful tool for improving student performance. Students in grades 3-5 also receive a printed agenda which has resource information, school rules, a calendar, and a character education curriculum.

Challenges and Critical Needs Teacher Training

There is a tremendous need to provide training for teachers and, in particular, new teachers in the areas of effective teaching and learning using research based strategies (differentiated and direct interactive teaching), teaching to mastery, professional collaboration and the use of outcome data to guide instruction. The latest challenges are a global pandemic, new (or suspended as a result of COVID-19) accountability systems, and unpredictable budgeting formulas.

Technology

The staff at Bryn Mawr participates in technology training each year, ranging from PowerPoint, digital camera, data analysis software, assessment software, and Internet resources such as Google Classroom and Google Drive. We believe that technology should enhance and facilitate student learning but can only be met if the teacher is well trained in its use.

Three Year Student Objectives

- Each Bryn Mawr will meet growth targets in reading, language, and mathematics based on the CA Assessment of Student Performance and Progress (CAASPP) summative assessment.
- Students will learn and practice the 7 Habits of Highly Effective People through the implementation of the school-wide Leader in Me system.
- Most, if not all, students will be fluent readers at grade level by the exit of 1st grade.
- Through the use of the Academic Organizer, all students will exit Bryn Mawr School with the organization skills necessary to be successful at middle and high schools.
- Accelerated Reader Program strategies will be reviewed and realigned with the programs guidelines to better meet the needs of all students.
- Thinking Maps and "Write from the Beginning" will be implemented as school wide strategies.
- Bryn Mawr students will regularly apply wellness strategies to create a healthier lifestyle that will enhance their overall quality of life.
- At-risk students will receive interventions through a remedial program taught by staff and hourly support staff. Student progress will be monitored.

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/csl/>.

| Percent of Budget for Teacher Salaries | 35% | 34% |
| Percent of Budget for Administrative Salaries | 4% | 5% |

Professional Development

The Bryn Mawr staff is committed to continual improvement. The School-Based Coordinated Program, Title I, and Single School Plan budgets provide funds which enable teachers to attend workshops and conferences and receive training from trainers and coaches. Releasing teachers with substitute teachers, as well as using collaborative days and after school meetings are used to enable teachers to maintain our school wide writing program called "Write from the Beginning". Also, our school wide use of Thinking Maps strategies, which complement the writing program, is in full implementation at each grade level. Up to ten collaboration days (minimum days) are set aside throughout the year for Professional Learning Community activities. In addition, teachers are provided additional district training days during the school year in instructional strategies, English-Language Arts, math, and science.

11 days during the 2019-20 school year were dedicated for trainings. 3 of those days were partial days for each grade level, and 2 of those days were for a group of staff to attend a conference in Riverside, CA.

6 days during the 2020-21 school year were dedicated for trainings. 3 of those days were full days, and 3 of those days were partial days for teachers to work with consultants from Renaissance Learning and Franklin-Covey.

9 days during the 2021-22 school year were dedicated for trainings. 2 of those days were partial days (Greg Tang Math & assessment data trainings), while the rest were full-day (Leader in Me trainings, district-wide Universal Design for Learning [UDL], and Guided Language Acquisition Design [GLAD] training).

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject | 2019-20 | 2020-21 | 2021-22 |
|--|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 11 | 6 | 9 |

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
