## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

School Mission Statement: The staff, parents, families of the students, and the students of Kingsbury Elementary, a school rich in history and traditions, are dedicated to providing an environment that supports all students in their academic, social, emotional, and physical development, thereby assisting them to achieve their highest potential and to be productive and responsible citizens.

School Vision Statement: Our vision is to build a community of learners, in which all participants--staff, parents, families of the students, students, and the community--demonstrate collaborative actions toward creating and implementing a curriculum that is aligned with the California Content Standards and available for all students.

The Kingsbury community supports the vision for Redlands 2025 which will focus on five key areas:

E-Enhanced Learning through Innovation

X-Excellence in Academics

C-Collaborative Community and Parent Partnerships

E-Equality through Equity

L-Learning Environments are Safe and Secure

## About this School

Socioeconomically Disadvantaged	77
Students with Disabilities	18.5

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2020-21 Teacher Preparation and Placement

<b>Total Teaching Positions</b>	24.7	100.0	969.1	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21
<b>Permits and Waivers</b>	0.0

<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.0

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The California State Board of Education reviews elementary level textbooks and adopts those that meet standards defined in the Common Core State Standards. Textbooks are selected in the Redlands Unified School District through a committee of teachers and administrators. They review the materials that have been approved for purchase. Teachers at each site have an opportunity to preview texts prior to selection. Textbooks are selected and purchased on a seven-year cycle, rotating by content area. Copies of student books are available at the Instructional Resource Center for parent review.

## School Facility Conditions and Planned Improvements

The current school building, which includes twenty-three classrooms, a library, a STEAM Lab, Bears closet, an administrative office, and a multi-use room/cafeteria was built in 1969. Four relocatable classrooms were added in 1987. Two additional relocatable classrooms were added in 1991. Students and staff work hard to keep the campus clean and safe. A litter-free environment is encouraged and custodians clean the campus daily. The governing board has adopted cleaning standards for all schools in RUSD. Due to COVID-19 Pandemic, a more rigorous schedule, and additional custodial help, has been implemented. A summary of these cleaning standards is available at the school office, at the District Office, or at [www.redlands.k12.ca.us](http://www.redlands.k12.ca.us). Site administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The school district's maintenance department performs major repairs and improvements. The AHERA Management Plan, Inspection Report, and Operations and Maintenance Program Report are available upon request. A site safety inspection is conducted monthly.

The staff and community have developed/approved a comprehensive disaster plan. This plan is communicated to the students and drills are conducted on a monthly basis. This written plan is also available to the community. This plan will enable staff and students to remain as calm as possible while they deal with the events surrounding a disaster such as an active-shooter, earthquake or fire.

Kingsbury School was completely modernized in 2004. As a result, our facilities are in excellent condition. Our campus is monitored closely by the staff, and any safety hazards are addressed immediately.

In the summer of 2018, the campus became completely enclosed by the addition of new security fencing and gates. This ensures no authorized access to the campus, except by entry to the office.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

All categories on the most recent School Facility Good Repair Status report receive the highest mark of "good" and an overall rating of "exemplary".

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
<b>Mathematics</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

There are many opportunities for parents to become involved at Kingsbury School. These include: assisting in the classroom by tutoring students in all subject areas (we encourage parents to visit the office for volunteer opportunities and procedures), assisting and chaperoning field trips, volunteering for PTA, ELAC, School Site Council, and other school sponsored activities. Parents also have the opportunity to attend a variety of events such as Family Nights, Parent Conferences, Back To School Social, Fall Carnival, and the Book Fair. Computer technology provides new ways for parents to become involved with their child's school and their learning. Kingsbury School maintains a website, and a Twitter page, that parents may access to in order to gain information on general school activities. Kingsbury also communicates via Aeries/Parent Square, a free service that parents may sign up for, that will text, email, and call them regarding important events. Parents may also maintain easy contact with their child's teacher and/or the principal by making appointments to see them, by telephone call, or by e-mail.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
<b>Suspensions</b>	1.24	0.00	3.62	0.22	3.47	0.20
<b>Expulsions</b>	0.00	0.00	0.02	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Kingsbury School utilizes data from the California Department of Education Dashboard regarding suspension/expulsion reports to evaluate the current status of school discipline. A Comprehensive School Safety Plan is adopted in the Spring of each school year and is reflective of the school's safety needs. School Site Council parents, and other interested parents compose the Safety Committee. Safety committee is given time at each School Site Council (SSC) meeting and their concerns are addressed. School Site Council creates and monitors the school safety plan. The key components of Kingsbury's Safe School Plan include a description of school discipline policies and procedures, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, and disaster response procedures. Signs are posted to indicate all visitors must report to the administration office and may not be on school grounds unless they have a visitors pass. New fencing/gates ensure nobody can enter the campus without checking in through the office, unless they illegally scale the perimeter. Visitors must have their driver's license, or identification, scanned and run through the Raptor Database System to flag sex offenders and unsafe visitors. Exterior signs also indicate Kingsbury's active video surveillance system (there are multiple security cameras mounted throughout the campus to monitor and record events). To ensure student safety before and after school, campus monitors, teachers, the counselor, the assistant principal, and the principal supervise the school grounds including the bus drop-off area, cafeteria, and playground. After school the teachers walk their students to the bus loading zone or dismissal area. Teachers, classified staff, and the administration supervise student areas until all students have left the campus for home. During the day, campus monitors are present in the student play and eating areas. Also, a crossing guard, provided by the City of Redlands, ensures students cross the street safely. The last update to the Comprehensive School Safety Plan was March 8, 2021.

## D. Other SARC Information

## Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### 2018-19 Elementary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students

State			\$8,444	\$86,376
Percent Difference - School Site and State	N/A	N/A	-22.7	-5.2

## 2020-21 Types of Services Funded

Kingsbury receives funding from two basic sources: Funding distributed by the State of California and approved by the Redlands Unified School District Board of Education and State and Federal Categorical Programs, which bring approximately an additional \$200,000 to our school annually. These Categorical Programs include Schoolwide Title I, Title III, SSP, and Lottery funds.

These funds assist with the following notable and important programs and services (this is not an all inclusive list): Books, supplies, parent involvement activities, PBIS/character education program, maintaining innovative technology and a STEAM lab, transporting Redlands High School student peer tutors, part-time STEAM Lab teacher, part-time English Learner intervention teacher, professional development activities, standards based computer software/programs, and after school tutoring.

## 2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## Professional Development

The Kingsbury staff is committed to continual professional growth. Categorical Programs provide funds which enable teachers to receive training that align to School, District, State, and Federal goals. Kingsbury's primary focus for professional development is around math, language arts, and socio-emotional learning. Funds are available for: a) Veteran teachers to provide assistance to new teachers in a variety of curricular areas. b) Teachers to analyze data in order to better meet each student's needs by differentiating the instruction c) Attend conferences on increasing student achievement. The District provides math, reading, writing, and English Learner professional development. All Kingsbury teaching staff have been trained in Thinking Maps Strategies. Kingsbury is currently in year six of PBIS (Positive Behavioral Interventions and Supports) staff development. Professional development opportunities are available during the regular teaching day, after school workshops and TeAM (Team Augmentation Meetings), and on instructional minimum days.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
