2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Smiley Elementary School is dedicated to providing a safe, nurturing environment, which is intellectually challenging yet stimulating and includes opportunities for students to develop their sense of responsibility, independence and a love for learning. As part of the Redlands Unified School District, Smiley Elementary School will support students towards the RUSD Vision. Our students will be empowered with the knowledge and commitment necessary to confront the challenges of our changing world, as they become leaders in the 21st century .

The vision for Redlands 2025 will focus on five key areas:

- E - Enhanced Learning through Innovation
- X - Excellence in Academics
- C - Collaborative Community and Parent Partnerships
- E - Equality through Equity
- L - Learning Environments are Safe and Secure

Located in the Redlands Unified School District, Smiley Elementary School continues to enjoy a tradition of excellence. Named after Alfred and Albert Smiley, philanthropists who contributed to various community projects and helped create the city's public library, the campus was constructed over a ten-year period starting in 1954.

Smiley Elementary School is on a traditional schedule serving approximately 650 students in Kindergarten through 5th grades. The student body is made up of an ethnically-diverse population that celebrates varied cultural heritages and embraces 15 home languages. Although Smiley Elementary School is located in a middle class neighborhood, approximately one-half (49%) lives in poverty and receives free/reduced lunch. Walking the playground is all that is required to feel the Responsible, Respectful and Safe atmosphere that is continuing to develop at Smiley Elementary School.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	29
Intern Credential Holders Properly Assigned	0
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0
Unknown	0
Total Teaching Positions	0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The California State Board of Education reviews elementary level textbooks and adopts those that meet standards defined in the State Frameworks. Textbooks are selected in the Redlands Unified School District through a committee of teachers and administrators. They review the materials that have been approved for purchase. Teachers at each site have an opportunity to preview texts prior to selection. In the past, textbooks were selected and purchased on a seven-year cycle, rotating by content area. Current state budget funding has led the District to modify the cycle with the most recent adoption being a kindergarten through fifth grade Science program in 2008. Copies of student books are available at the Instructional Resource Center for parent review. Program candidates feature a variety of instructional materials and technology to enhance the instructional program for our students and are aligned with State Grade Level Standards. All Smiley Elementary students are provided with all state and district adopted materials in their classrooms, and receive instruction in the core curriculum.

School Facility Conditions and Planned Improvements

The oldest portion of Smiley School includes the office wing and rooms one through ten which were built in 1952. As the school population continued to grow, four more wings were added in the 1960s. Smiley School currently has thirty-one classrooms, a multipurpose room, and school library. We are presently in the process of building a STEAM Lab and Digital Playground Innovative Learning space. Smiley School's facilities had not been updated with central heating and air conditioning units since 1993. In December 2019, 24 classrooms were updated with new HVAC units.

The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at www.redlands.k12.ca.us. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The school facilities are inspected monthly, and needed repairs are either done by the custodians or are submitted to the District via work orders. Monthly Inspection Reports are submitted to the District. Rooms and buildings are all adequately prepared to meet the needs of students in a clean and safe environment.

Maintenance and Repairs:

When maintenance and repairs are needed, the site custodians are notified and work or repairs are made, if possible. District maintenance staff ensures that larger or more complicated repairs necessary to keep the school in good repair and working order, are completed in a timely manner. A work order process is used to ensure good communication, efficient service and that emergency repairs are given the highest priority.

The site Principal has inspected the school prior to the opening to students and has indicated 100% of all toilets on school grounds are in working order.

Cleaning Process and Schedule:

School site custodians clean each classroom daily and the school district provides a grounds crew who work at Smiley Elementary on a rotating basis.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Smiley is fortunate to have a very dedicated group of parents, grandparents, friends and community members who volunteer regularly. Volunteers can be found in classrooms helping teachers and students with a variety of tasks. As an example, our Book Bridges Reading Program is implemented in kindergarten through second grade and requires volunteers to read individually with each student four days per week. Volunteers chart their progress and help students select a new book to take home each night.

Our PTA has been extremely supportive of our volunteer programs and has two coordinators who assist the staff with volunteers. They continue to take on the task of providing classroom volunteers who assist as instructional docents for our Arts Attack program, etc. The PTA also sponsors the following programs that require much parent involvement to be successful: Running Club, Smiley Campout, Game Board Night, Pancake Breakfast, Class Parties, and Field Trips.

Parents also participate on the School Site Council as well as on site and district level committees. Smiley is also fortunate to have former alumnae return during their breaks to assist in the primary classrooms. Smiley continues to be recognized as having above average volunteer hours for the RUSD.

2020-21 Chronic Absenteeism by Student Group

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.02	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Smiley Elementary School utilizes data from its California Safe School Assessment and suspension/expulsion reports to evaluate the current status of school crime and safety. A Safe School Plan is updated and adopted each school year and is reflective of the school's safety needs.

The key components of Smiley's Safe School Plan include a description of school discipline policies and procedures, dress code guidelines, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, dangerous pupil notification, and disaster response procedures. The Safety Plan is continuously revised with updated information and training and under the direction of the District.

The Redlands Police Department is available to provide truancy support, counseling, education, and law enforcement activities for students as well as for parent informational workshops.

School Safety:

To ensure student safety before school, campus monitors, teachers and administrators supervise the school grounds including the bus drop-off area, loading zones, cafeteria and playground. During the school day all entrance areas to the school are locked with the exception of the office. All persons desiring entry must enter the office and be screened through the Raptor system. All adults on campus must have an employee badge or an official visitors sticker visible at all times. Signs are posted to indicate all visitors must report to the administration office and may not be on school grounds unless they have a visitor's pass.

Before school, only students are allowed access to the school grounds. Any parent or visitor must go through the office and be screened through the raptor system.

After school, students exit school ground through one of the designated gates. They will walk to the bus loading area, walk home or the car pick up area. Staff supervise these areas until all students have left the campus for home.

Professional Development

Staff development opportunities are made available to all teachers at Smiley Elementary and are considered a priority. Teachers participate in professional workshops that are aligned with the California Standards for the Teaching Profession. Recent staff development has been focused on the Common Core State Standards and Teaching Practices in the area of Reading, Writing, Math, and Science. Also staff development has focused on Common formative assessments, data review and MTSS tiered systems of supports. Additional training and sharing of information occurs at Collaboration/Training approximately, each month. These trainings are led by administration, staff and district personnel.

The focus of the 2021-2022 school year is instruction that engages and encourages all students' participation, integrating technology into classroom instruction continues to be a focus as well as C-STEM and NGSS cross-cutting standards which highlight innovation and creativity.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
