Reporting Complaints

A student or parent/guardian who believes that the student has been subjected to sexual harassment by another student, an employee, or a third party, or who has witnessed sexual harassment is strongly encouraged to report the incident to a teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the district's Title IX Coordinator. Any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or Title IX Coordinator. The report shall be made regardless of whether or not the alleged victim files a formal complaint or requests confidentiality.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

When a report or complaint of sexual harassment involves off-campus conduct, the Title IX Coordinator shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If the Title IX Coordinator determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the Title IX Coordinator shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the applicable district complaint procedures.

Complaint Procedures

All complaints and allegations of sexual harassment by and against students shall be investigated and resolved in accordance with law and district procedures. The Title IX Coordinator shall review the allegations to determine the applicable procedure for responding to the complaint. All complaints that meet the definition of sexual harassment under Title IX shall be investigated and resolved in accordance with AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Other sexual harassment complaints shall be investigated and resolved pursuant to BP/AR 1312.3 - Uniform Complaint Procedures.

In cases of alleged sexual abuse by a staff member against a student, prior to interviewing the complainant student, the District will provide telephonic notification to the parent or guardian. This will be followed up by written notification sent to the parent/guardian at the address on record with the district via certified mail, return receipt requested. This requirement is subordinate to the need to cooperate with law enforcement investigations and will not apply where law enforcement directs the District not to make these notifications.

If sexual harassment is found following an investigation, the Title IX Coordinator, or designee in consultation with the Coordinator, shall take prompt action to stop the sexual harassment, prevent recurrence, implement remedies, and address any continuing effects.
