

Mini paper

Prepare a 2 page paper on an important event in health history of important person in health history. You must use at least one valid health sources. Use the following guidelines:

1. Your paper needs to be typed. Use 12pt. font and double spacing.
2. **DO NOT PLAY COMPUTER GAMES BY USING LARGER TYPE AND NARROW MARGINS**
3. you will need to accurately list all of your sources using MLA format (this page does not count as part of your paper length)
4. **if it is handwritten it must be 4 pages and must be legible.**
5. Include an Introduction (of person or event), body (main information about person or event), conclusion (the event or person's action resulted in ...)
6. Why you chose this person or event.

If you have any questions, please see me.

**SCORING RUBRIC FOR
Mini paper**

General Format and Appearance (2 points): Does the author's name and course title appear on the paper (on a cover page or in the upper right corner)? Is the title clearly stated? Is the paper professional in its appearance (i.e., double-spaced, indented paragraphs or if left-justified an extra space between paragraphs, clean paper, etc.)?

Points: _____

I. Introduction (5 points): Is the introduction interesting and thorough? i.e., does it provide a brief background and overview of the selected problem? Does it explain the epidemiology (incidence/morbidity/mortality/seriousness) of the topic?

Points: _____

II. Content (10 points): Does this section review what is known from the professional literature, as well as from any program observations, regarding the theoretical basis or logic model of a successful program? Does it describe what research and evaluation studies have disclosed regarding effective programs?

Points: _____

III. Summary and Recommendations (5 points): Does this section explore or describe strengths or weaknesses of the proposed program, illness, or disease? Does it offer any suggestions for improvement?

Points: _____

Comments or suggestions:

IV. Bibliography (3 points): Is there a simple bibliography of several references in what appears to be MLA style? Are references quoted properly within paper?

Points: _____

Comments or suggestions:
