## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

Smiley Elementary School is dedicated to providing a safe, nurturing environment, which is intellectually challenging yet stimulating and includes opportunities for students to develop their sense of responsibility, independence and a love for learning. As part of the Redlands Unified School District, Smiley Elementary School will support students towards the RUSD Vision. Our students will be empowered with the knowledge and commitment necessary to confront the challenges of our changing world, as they become leaders in the 21st century.

The vision for Redlands 2025 will focus on five key areas:

- E - Enhanced Learning through Innovation
- X - Excellence in Academics
- C - Collaborative Community and Parent Partnerships
- E - Equality through Equity
- L - Learning Environments are Safe and Secure

Located in the Redlands Unified School District, Smiley Elementary School continues to enjoy a tradition of excellence. Named after Alfred and Albert Smiley, philanthropists who contributed to various community projects and helped create the city's public library, the campus was constructed over a ten-year period starting in 1954.

Smiley Elementary School is on a traditional schedule serving approximately 650 students in Kindergarten through 5th grades. The student body is made up of an ethnically-diverse population that celebrates varied cultural heritages and embraces 15 home languages. Although Smiley Elementary School is located in a middle class neighborhood, approximately one-half (49%) lives in poverty and receives free/reduced lunch. Walking the playground is all that is required to feel the Responsible, Respectful and Safe atmosphere that is continuing to develop at Smiley Elementary School.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	25	27	29	4
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** December 2019

The California State Board of Education reviews elementary level textbooks and adopts those that meet standards defined in the State Frameworks. Textbooks are selected in the Redlands Unified School District through a committee of teachers and administrators. They review the materials that have been approved for purchase. Teachers at each site have an opportunity to preview texts prior to selection. In the past, textbooks were selected and purchased on a seven-year cycle, rotating by content area. Current state budget funding has led the District to modify the cycle with the most recent adoption being a kindergarten through fifth grade Science program in 2008. Copies of student books are available at the Instructional Resource Center for parent review. Program candidates feature a variety of instructional materials and technology to enhance the instructional program for our students and are aligned with State Grade Level Standards. All Smiley Elementary students are provided with all state and district adopted materials in their classrooms, and receive instruction in the core curriculum.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	Journeys Common Core Houghton Mifflin Harcourt (2014)	Yes	0%
<b>Mathematics</b>	Math In Focus Houghton Mifflin Harcourt (2015)	Yes	0%

## School Facility Conditions and Planned Improvements (Most Recent Year)

The oldest portion of Smiley School includes the office wing and rooms one through ten which were built in 1952. As the school population continued to grow, four more wings were added in the 1960s. Smiley School currently has thirty-one classrooms, a multipurpose room, and school library. We are presently in the process of building a STEAM Lab and Digital Playground Innovative Learning space. Smiley School's facilities had not been updated with central heating and air conditioning units since 1993. In December 2019, 24 classrooms were updated with new HVAC units.

The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at [www.redlands.k12.ca.us](http://www.redlands.k12.ca.us). The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The school facilities are inspected monthly, and needed repairs are either done by the custodians or are submitted to the District via work orders. Monthly Inspection Reports are submitted to the District. Rooms and buildings are all adequately prepared to meet the needs of students in a clean and safe environment.

### Maintenance and Repairs:

When maintenance and repairs are needed, the site custodians are notified and work or repairs are made, if possible. District maintenance staff ensures that larger or more complicated repairs necessary to keep the school in good repair and working order, are completed in a timely manner. A work order process is used to ensure good communication, efficient service and that emergency repairs are given the highest priority.

The site Principal has inspected the school prior to the opening to students and has indicated 100% of all toilets on school grounds are in working order.

**Cleaning Process and Schedule:**

School site custodians clean each classroom daily and the school district provides a grounds crew who work at Smiley Elementary on a rotating basis.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

**Year and month of the most recent FIT report:** November 2019

<b>System Inspected</b>	<b>Rating</b>	<b>Repair Needed and Action Taken or Planned</b>

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	65	65	59	57	50	50
Mathematics (grades 3-8 and 11)	57	57	45	44	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

#### Grades Three through Eight and Grade Eleven (School Year 2018-19)

Homeless	40	39	97.50	2.50	64.10

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

---

Smiley is fortunate to have a very dedicated group of parents, grandparents, friends and community members who volunteer regularly. Volunteers can be found in classrooms helping teachers and students with a variety of tasks. As an example, our Book Bridges Reading Program is implemented in kindergarten through second grade and requires volunteers to read individually with each student four days per week. Volunteers chart their progress and help students select a new book to take home each night.

Our PTA has been extremely supportive of our volunteer programs and has two coordinators who assist the staff with volunteers. They continue to take on the task of providing classroom volunteers who assist as instructional docents for our Arts Attack program, etc. The PTA also sponsors the following programs that require much parent involvement to be successful: Running Club, Smiley Campout, Game Board Night, Pancake Breakfast, Class Parties, and Field Trips.

Parents also participate on the School Site Council as well as on site and district level committees. Smiley is also fortunate to have former alumnae return during their breaks to assist in the primary classrooms. Smiley continues to be recognized as having above average volunteer hours for the RUSD.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Expulsions	0.0	0.0	0.0	0.1	0.0	0.0	0.1	0.1	0.1

### School Safety Plan (School Year 2019-20)

---

Smiley Elementary School utilizes data from its California Safe School Assessment and suspension/expulsion reports to evaluate the current status of school crime and safety. A Safe School Plan is updated and adopted each school year and is reflective of the school's safety needs.

The key components of Smiley's Safe School Plan include a description of school discipline policies and procedures, dress code guidelines, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, dangerous pupil notification, and disaster response procedures. The Safety Plan is continuously revised with updated information and training and under the direction of the District.

The Redlands Police Department is available to provide truancy support, counseling, education, and law enforcement activities for students as well as for parent informational workshops.

**School Safety:**

To ensure student safety before school, campus monitors, teachers and administrators supervise the school grounds including the bus drop-off area, loading zones, cafeteria and playground. During the school day all entrance areas to the school are locked with the exception of the office. All persons desiring entry must enter the office and be screened through the Raptor system. All adults on campus must have an employee badge or an official visitors sticker visible at all times. Signs are posted to indicate all visitors must report to the administration office and may not be on school grounds unless they have a visitor's pass.

Before school, only students are allowed access to the school grounds. Any parent or visitor must go through the office and be screened through the raptor system.

After school, students exit school ground through one of the designated gates. They will walk to the bus loading area, walk home or the car pick up area. Staff supervise these areas until all students have left the campus for home.

**Professional Development (Most Recent Three Years)**

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			10

Staff development opportunities are made available to all teachers at Smiley Elementary and are considered a priority. Teachers participate in professional workshops that are aligned with the California Standards for the Teaching Profession. Recent staff development has been focused on the Common Core State Standards and Teaching Practices in the area of Reading, Writing, Math, and Science. Training subjects also include Lexia Core 5, Dreambox Math, and STAR Math. Additional training and sharing of information occurs at Collaboration/Training approximately, each month. These trainings are led by staff or through the webinar model. The focus of the 2019-2020 school year is on integrating Technology into classroom instruction.
