## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

# MENTONE ELEMENTARY

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

We the educators, community members, parents, and staff are committed to providing students with the best opportunity to develop their fullest academic, social and emotional potential, by teaching them to communicate, problem-solve, think creatively, and respect themselves and others, so they can become productive, positive, contributing members to society.

Mentone Elementary School is one of 16 elementary schools in the Redlands Unified School District and serves over 500 students (including preschool) on a traditional school schedule. The school was built in 1949. The cafeteria was added in 1957. The facility has 29 classrooms, an administration building, an innovation lab, a multi-purpose room, and a library.

The surrounding neighborhood consists of small and medium-sized single-family homes, mobile homes, and two large apartment complexes. Housing and cultural patterns reflect low-middle socioeconomic conditions; some single-family residences house multiple families. Currently, there are approximately 63 identified English Language Learners enrolled at Mentone School.

There are 18 regular classroom teachers, 1 Special Education teacher (SAI), 1 expanded learning program specialist, 1 math intervention teacher, 5 expanded learning teachers, one, one on one Special Ed. Paraprofessional to support our 1:1 student, a Healthy Start clerk a school/attendance clerk, an office manager, two cafeteria workers, three custodians, two full-time counselors, a full-time assistant principal, and one full-time principal. The District also provides a school psychologist and speech pathologist one day per week. There are two after school programs, in conjunction with, where 200 students are in attendance.

Students with special needs are serviced through Gifted and Talented Education (GATE) extra curricular activities and with GATE certified teachers using quality GATE strategies, Intervention Programs, and a special education program (SAI). University of Redlands Work-Study students offers tutoring support. Gender equity and multicultural awareness are integrated throughout the curriculum.

The student population is comprised of approximately 21% White, 69% Hispanic, 2% African-American, 5% Other. Approximately 83% of our students receive free or reduced lunch. We are one of the schools in our district that receives 100% free or reduced lunch for all students.

## 2022-23 School Overview

Mentone Elementary School was designated a California Distinguished School in May 2014 and earned Title I Achieving Schools Awards in 2006, 2007 and 2013. During the years 2011 - 2013, the school had improved their API growth. In the years 2013 and 2014 our school received an Honor Roll award by the California Business for Educational Excellence. Our In 2017-18, students met & exceeded at 50% in ELA and 41% in Math in our state assessment. During the 2019-20 Mentone Elementary School participated in AVID professional development with a focus on high impact instructional strategies, designated ELD, and opportunities for extracurricular activities outside of the school day. We will continue to focus on Multi-Tiered Systems of Support for PBIS, academic needs, and AVID strategies to create a college and career culture. Additionally, we will continue to focus on engaging our families through coffee with the principal monthly meetings, ELAC, SSC, PTA events, and coffee with the counselor parent meetings.

Instruction is provided by highly qualified teachers and para-professionals.

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The California State Board of Education reviews elementary level textbooks and adopts those that meet standards defined in the State Frameworks. Textbooks are selected in the Redlands Unified School District through a committee of teachers and administrators. They review the materials that have been approved for purchase. Teachers at each site have an opportunity to preview texts prior to selection. Textbooks are selected and purchased on a seven-year cycle, rotating by content area. All Mentone Elementary School students are provided with all state and district adopted materials. Each student has available a copy of all necessary textbooks and curriculum materials in the classroom.

### School Facility Conditions and Planned Improvements

Mentone School was built in 1949. The facility consists of fifteen permanent classrooms and 15 relocatable classrooms. The office complex has room for three secretaries, a health office, conference room, restrooms and the principal's office. It also has a multipurpose building that serves as a cafeteria, kitchen, and teachers' lounge. Modernization was completed in 2005 with the installation of air conditioning and new lighting, refurbished restrooms, new windows and carpeting.

We also have a baseball field that is maintained by our district and community little league and is used extensively by the students and the community.

District and school staff work hard to keep the campus clean and safe. The school's facilities are in good repair, and a litter/graffiti-free environment is emphasized by students and staff. None of the eight emergency needs specified in Education Code Section 17592.72 exist.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed. The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at [www.redlands.k12.ca.us](http://www.redlands.k12.ca.us). The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	41	N/A	51	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	27	N/A	35	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Mentone Elementary School has an active Parent-Teacher Association. The P.T.A. organizes and oversees family events and activities throughout the school year. These are Math Night, Movie Night, Literacy Night, Game Night, Book Fairs, Astronomy Night, and the Community Resource Fair. The P.T.A. also sponsors fundraisers, field trips, assemblies, and events that benefit students and parents. Our staff encourages parents to volunteer in classrooms and chaperone field trips. The staff also sponsors Title 1 family literacy nights and conferences to involve parents. Our web page (<http://redlandsusd.net/mentone>), Facebook Mentone Elementary Page, Instagram and Twitter (@mentoneRUSD) keeps parents informed and up to date with opportunities and events. We also have Coffee with the Principal, Counselor, School Site Council, GATE, and ELAC committees that involve our parents with our school.

### C. Engagement

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Suspensions	0.78	2.61	2.45
Expulsions	0.00	0.03	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

Mentone Elementary School utilizes data from its California Safe School Assessment and suspension/expulsion reports to evaluate the current status of school crime. A Safe School Plan is adopted each school year and is reflective of the school's safety needs. The key components of Mentone's Safe School Plan include a description of school discipline policies and procedures, dress code guidelines, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, dangerous pupil notification, and disaster response procedures. We also have a School Safe Plan Committee that involves parents and staff that meets three times per year. The School Safe Plan Committee approved our plan in August 2022. To ensure student safety before school, teachers, campus monitors, and administrators supervise the school grounds including the bus drop-off area, Parent drop-off area, cafeteria, and playground. During the school day, all entrance areas to the school are locked with the exception of the front entrance, which is near the administration office and multipurpose room. Signs are posted to indicate all visitors must report to the administration office and may not be on school grounds unless they have a visitor's pass. After school, teachers walk their students to the bus loading and pick off and drop off area. Teachers, campus monitors, and administration supervise the areas until all students have left the campus for home. The Safe School Plan was updated with the School Safety Committee in May 2022, and August 2022. The plan was reviewed with staff and SSC in September of 2022. The School Safety Plan was approved by the Redlands Board of Education in October 2022.

## 2021-22 Types of Services Funded

Mentone Elementary School received a total of \$154,416.00 in Title I funds for supplementary education programs. Funds from Title I, Title VI, and the School Improvement Program are used to support all students with additional support as needed. Limited English Proficient program funds support children who qualify. There are no longer funds for GATE programs. The GATE program continues to exist without additional funding.

### Summary of Strengths

School-wide cooperation among faculty and staff is a strength of Mentone School. The staff works collaboratively to analyze student data and communicate strengths and areas of need identified through this analysis. This allows the staff to target instruction and resources for every student. The needs of the student are often best met through a variety of actions on the part of many individuals working as one. Because of this cooperation, the staff is able to focus on high student expectations, coordinated curriculum development, homework expectations, and a positive school climate.

On-going staff development activities contribute to our staff, maintaining a high degree of expertise in various curricular areas. All staff members are involved in coordinated program in-service days to fine-tune the teaching of literacy, math, and technology skills. Opportunities exist to attend workshops and conferences for the purpose of acquiring new teaching methods and techniques which are shared on-site to help support our school goals. School-wide teaching strategies in language arts, writing, and math have and are being implemented, including and Thinking Maps. During 2018-19, 2019-2020, 2020-2021, and 2021-2022 Mentone Elementary School participated in AVID professional development with a focus on high-impact

## 2021-22 Types of Services Funded

instructional strategies, designated ELD, and opportunities for extracurricular activities outside of the school day. We will continue to focus on Multi-Tiered Systems of Support for PBIS, academic learning, and create a college and career culture. Our staff is currently participating in Rigor and Standards PD to enhance the learning of students during DL. Additionally, we will continue to focus on engaging our families through coffee with the principal monthly meetings, PTA events, and coffee with the counselor parent meetings.

Our P.T.A. plays an active role in the planning of activities. Parents also serve on the School Site Council, G.A.T.E., and the English Learners Advisory Committee. They work with the students in the classrooms, the library, and on the playground, and with the administration and office staff to help meet the needs of the students. They coordinate assemblies, the Resource Fair, and special events to draw other parents and the community to the school.

We have our ASES program that serves 100 students on campus before and after school. In addition we have an Expanded Learning Opportunity Program that serves 100 students. The Expanded Learning Program offers after school support, as well as Saturday session, and intersession program during school breaks.

## Professional Development

The Redlands Unified School District administration evaluates permanent teachers every other year or every 5 years, depending on the evaluation process administered. Probationary teachers are evaluated for two consecutive years and, if made permanent, every other year subsequent to their probationary period. The evaluation process provides the opportunity for administrators to assist teachers to improve or enhance their instructional skills and methods. During the evaluation process, teachers are formally observed twice, informally observed as needed, and receive a summary evaluation report every year they are evaluated.

Orientation to the evaluation process is covered in meetings with each teacher to be evaluated prior to November 1 of each school year. The formal observations follow and a written summary is presented to and reviewed with the teacher after each formal observation during the specified time period between September and March. In the formal observation summary meetings, the principal offers suggestions for improvement or recognizes appropriate teaching strategies being utilized. Following both observations, a formal meeting to discuss the final evaluation document is held prior to the March 1 deadline for probationary teachers and the May 15 deadline for permanent teachers. The teachers have the option of an Alternative Evaluation which begins with an orientation, goal setting, and a meeting to discuss the plan for the alternative evaluation. A minimum of two meetings are held with the administration to review the progress toward goals and to address needs the teachers may have. Informal observations occur throughout the year and the teacher(s) submit a written report/student work to show the results and learning of their alternative evaluation.

The system of certificated evaluation complies with the requirements of the Education Code. Areas required to be addressed by the evaluation system include, but are not limited to the following: suitable learning environment; instructional techniques and strategies, achievement of curricular objectives; and pupil progress - CSTPs.

Minimum Days are set aside throughout the school year for the staff and grade levels to meet as a PLC (Professional Learning Community) to work towards increasing student achievement through data analysis and accomplishing school-wide goals addressing the school's vision. The Teacher on Assignment and Leadership Teamwork with the administration to plan the agendas for the PLCs. The certificated staff was trained on Thinking Maps, writing strategies, designated ELD, Rigor, and standards, and AVID, and continues to receive demo lessons from our TOA in Math. Mentone staff also attend District training for core curriculum and safety, as required by Redlands USD. Professional Development for PBIS and high-impact AVID instructional strategies are provided during our weekly PDs and monthly minimum days. Teachers also attend AVID, participate in Rigor and Standards PD, and PBIS PDs provided by the county.

This table displays the number of school days dedicated to staff development and continuous improvement.
