School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

As a result of California voters passing Proposition 98 in November 1988, school districts received additional funding from the State and school sites became responsible for providing a report card to their communities. This report card is intended to describe Clement in the present and to state our future goals.

School Description:

Clement is one of four middle schools in the Redlands Unified School District and serves the north end of the city and part of Mentone. Clement opened in 1964 and consists of 21 buildings spread over 28 acres. From 1993-1997, the facility served as the Redlands High School Freshman Campus. As of December 2019, 1,005 students in Grades 6, 7, and 8 attend Clement Middle School.

Mission Statement:

We believe that Clement Middle School should be a place where students welcome and respect diversity. Students will develop their potentials through a variety of learning experiences. Our school should be a place where students want to come, and everyone, including parents and the community, is involved in the education of children.

We believe that it is our responsibility to provide a safe and positive learning environment with a variety of opportunities to achieve success. It is our responsibility to motivate students, to promote wise choices, and to develop character. We believe that we must be role models who exemplify the excellence we encourage in students.

We believe that students want to feel that they belong and are accepted, that they want to be respected and treated fairly, and that they want to be recognized for their successes. We believe that students need rules, boundaries, structure, and consistency. We believe that students need to develop from dependent 6th graders in a nurturing, sheltered, protected environment, to independent 7th graders who are aware of their value as individuals, to responsible 8th graders who set long-term goals, assume leadership roles, and leave middle school prepared for high school.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: December 2019

The California State Board of Education reviews elementary level textbooks and adopts those that meet standards defined in the State Frameworks. Textbooks are selected in the Redlands Unified School District through a committee of teachers and administrators. They review the materials that have been approved for purchase. Teachers at each site have an opportunity to preview texts prior to selection. Textbooks are selected and purchased on a seven-year cycle, rotating by content area. Sufficient textbooks are available for all students regardless of English proficiency or disability.

School Facility Conditions and Planned Improvements (Most Recent Year)

The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at www.redlands.k12.ca.us. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students and staff work hard to keep the campus clean and safe. The 2.5 night custodians do a remarkable job of cleaning 60 classrooms, the auditorium, kitchen, library, and offices daily. Our one day custodian maintains the grounds, sets up for special events, and helps keep the campus litter-free. When over 1,000 students have lunch, we depend heavily on their willingness to clean up after themselves.

The District has adopted a disaster preparedness plan. The plan includes steps for ensuring student and staff safety during a disaster, such as an earthquake or fire. The plan has been adapted to Clement and we have regular fire and disaster drills to assure a quick and orderly evacuation in case of an emergency.

The majority of the Clement campus underwent modernization in 2004-2006, with new paint, carpet, and lighting. Further flooring improvements were added in the Summer of 2019, and our Library is currently being updated/modernized over the next three school years, per our School Site Council. In addition, we added our Garner Holt Animaker Space classroom and elective in the summer of 2019. The Ribbon Cutting ceremony for our Animaker Space occurred on December 12th, 2019.

The Principal, Assistant Principal, and Lead Custodian walk the grounds regularly to inspect the facility. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Various student groups also adopt planted areas to maintain and refresh throughout the year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	30	29	45	44	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Safety Plan (School Year 2019-20)

Clement Middle School utilizes data from its California Safe School Assessment and suspension/expulsion reports to evaluate the status of school crime. A Safe School Plan is adopted in March of each school year and is reflective of the school's safety needs. The key components of Clement's Safe School Plan include a description of school discipline policies and procedures, dress code guidelines, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, dangerous pupil notification, campus safety procedures, and disaster response procedures.

To ensure student safety before school, Counselors, Teachers, and Administrators supervise the school grounds including the bus drop-off area, cafeteria, and quad area. During the school day, all entrance areas to the school are locked with the exception of the front entrance, which is near the administration office. Signs are posted to indicate all visitors must report to the Administration Office/Student center and may not be on school grounds unless they have a visitors pass. Physical barriers prevent unauthorized access to the campus during the school day. Those wishing to enter campus must do so by checking in through the Student Center. All those who wish to enter campus must register with our Raptor ID system, and obtain a printed badge to wear. Two Campus Safety Officers and two Campus Monitors patrol our campus during the school day.

After school, Teachers, Counselors, Campus Safety Officers, Campus Monitors, and Administrators supervise our campus until all students have left for home.

Enrichment Opportunities

Students have many opportunities to participate in assemblies, field trips, and other special events which extend their classroom experience, teach appropriate behavior and leadership skills, and motivate improved performance and the desire to pursue higher education.

Parent Involvement

The PTSA has 8-10 parents who meet monthly to organize support activities for staff and students and numerous parents assist in organizing student activities, our annual Theatre production, and on-campus dances. Most importantly, in daily contacts parents are supportive of school and teacher goals.

Staff Dedication

Both certificated and classified staff members take pride in the fact that they make a conscientious effort to work together in the best interests of students. Limited resources do not limit the willingness of staff to spend the time necessary to improve our delivery system and the services provided to students. The Viking Way (Be Respectful, Be Responsible, Be Your Best At All Times) is a theme which expresses the staff's goal of working together to provide a school environment which reinforces behavioral, social, and academic expectations.

2019-20 Student Objectives

Increasing the number of students scoring at or above proficient on the State standards-based exams.

Improving the quality and variety of services offered to students, to increase the already positive school culture of Clement.

Critical Needs/State Standards

Clement's critical needs include:

- Reduce the overall number of students who qualify as Chronically Absent throughout the school year.
- Improve the academic performance and proficiency of our students receiving Special Education services.
- Earning the support and respect of the community, and especially parents.

Three Year Student Objectives

Clement's long-range plan includes:

- Increasing the use of research based instructional strategies on a daily basis
- Maintaining an integrated student body so that all students feel safe and respect one another.
- Incorporating intervention strategies throughout the school day to improve student performance and proficiency.
