## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019-20)

School Description: Citrus Valley High School opened its doors for the first time in 2009 with freshman and sophomore classes. CVHS now has approximately 2100 students in grades 9-12. The School was financed from two bond measures, measure R and measure J, passed in local elections. Citrus Valley High School serves students from the city of Redlands as well as unincorporated portions of San Bernardino County including the community of East Highland. The communities served by Citrus Valley High School are diverse and offer a rich tapestry of cultures. Designed and built at a cost of 120 million dollars, CVHS is a modern, high-tech school planned to facilitate positive and effective communication. Campus design reduces the distances between classrooms. Citrus Valley High School prepares students for college and career by providing many classes which are a-g compliant and by offering several CTE pathways. CVHS is regularly recognized as an outstanding high school and has achieved the award of Gold Ribbon School by the California Department of Education. English, Math, Science, Social Studies, Special Ed, and ROP classes are equipped with Chromebook/laptop carts that have a computer for each student. Every student has an account that he/she can use from any computer on campus. All teachers have access to AERIES database and a grade keeping program. This system also allows parents to track their student's grades from any device. Citrus Valley High School prides itself on its community relationships. CVHS has the support of many different parent, community and business organizations. The PTSA is a parent/teacher/student organization that meets monthly to provide support as needed. Among their activities are providing support to teachers in the classroom, purchasing disaster preparedness supplies, and the awarding of scholarships to deserving students. Redlands Community Scholarship Foundation is composed of over 100 members administered by an elected Board of Directors. The Foundation receives gifts, donations and bequests from individuals and organizations. It annually dispenses over \$200,000 to Redlands Unified School District graduates. Several other organizations in the community also award scholarships to our students. School Site Council monitors CV's School Plan for Student Achievement and categorical funds.

Mission Statement: The Mission of Citrus Valley High School is to provide all students an opportunity to succeed academically, grow socially, and participate responsibly in their education. We prepare our students to become productive citizens who are equipped to make a positive difference in our world. Students are guided in this quest by the cornerstone of Citrus Valley High School, CLASS: Character, Leadership, Attitude, Scholarship and Service.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** December 2019

The Redlands Unified school District adopts textbooks at the secondary level using the same adoption cycle as the State Board of Education provides for elementary education. The district reviews textbooks and support materials prior to adoption to ensure that all materials met the standards as defined in the California State Frameworks. Sufficient textbooks are available for all students regardless of english proficiency or disability.

## School Facility Conditions and Planned Improvements (Most Recent Year)

Funded by measures "R" and "J", construction began in 2007 on a three-year construction schedule. Located on 60 acres, the 269,540 square foot facility contains a capacity for 2500 students. Athletic facilities outdoors include: eight basketball courts, one track/football/soccer stadium with synthetic turf and an all-weather track, 2 baseball fields, 2 softball fields, 8 tennis courts, and one 75 X 82 swimming/water polo pool. The theater seats 496 and is located at the main entrance of the campus with adjacent music and drama classrooms. The closed campus has a multipurpose room cafeteria that seats 407. Lastly, the campus contains 99 classroom/labs. The library/media center seats 110 and has shelving for 40,000 volumes and has 45 computers.

CV maintains restrooms daily. The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at [www.redlands.k12.ca.us](http://www.redlands.k12.ca.us). The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The custodial staff monitors and cleans restrooms up to three times during the school day. At the end of each day the restrooms are thoroughly cleaned and stocked. The custodial staff constantly provides the students and staff with a clean facility throughout the school. Maintenance is done on-site by District and site personnel. Repairs are completed in a timely manner. Construction was completed in the Fall of 2018 on our new parking lot.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	79	75	59	57	50	50
Mathematics (grades 3-8 and 11)	44	49	45	44	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

CVHS has an active PTSA, several booster clubs, and a School Site Council. These organizations raise money, provide activities and experiences outside the classroom and work with site staff to improve the quality of education at CVHS. In addition, parents also serve on the WASC Leadership Committee along with students and staff. We believe that one of the keys to the success of CVHS is that parents continue to play a critical role in their student's life. They faithfully support the students in their activities and the teachers in the classroom. Membership opportunities for the School Site Council, Booster Clubs and/or PTSA is advertised annually to parents via our dial-out system, school web site and at Back to School Night.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

### School Safety Plan (School Year 2019-20)

Citrus Valley High School utilizes data from its California Safe School Assessment and suspension/expulsion reports to evaluate the current status of school crime. A Safe School Plan is adopted in March of each school year and is reflective of the school's safety needs. The key components of Citrus Valley High School's Safe School Plan include a description of school discipline policies and procedures, dress code guidelines, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, dangerous pupil notification, and disaster response procedures. This plan is reviewed annually, revised as necessary and presented annually to the CVHS staff at a staff meeting and also discussed with the School Site Council each year.

To ensure student safety before and after school, school security, and four administrators supervise the school grounds including the parent drop-off areas, cafeteria, and buildings. During the school day all entrance areas to the school are locked with the exception of the front entrance, which is in the administration office. Signs are posted to indicate all visitors must report to the administration office and may not be on school grounds unless they have a visitors pass through the Raptor System.

CVHS has six full time security members and a School Resource Officer. The team must meet District hiring requirements including: CPR, POST training level II, on-going Clean Sweep training, and in-service on matters such as pepper spray and verbal judo. The security team is responsible for providing students an opportunity to attend school in a safe and positive environment. The officers are uniformed and are on duty at all CV onsite and many off-site activities.

Number of school days dedicated to Staff Development and Continuous Improvement	35/3	35/3	35/3

The Citrus Valley High School staff is committed to continual professional growth. Both CVHS and the District have implemented professional development plans with a variety of offerings. CVHS has weekly collaboration days(35 partial days) for one hour on Tuesday mornings. This time is used for professional development, data analysis, discussion of best practices, department meetings, team meetings, discussion and analysis of common assessments and the results from those common assessments. Teachers also work closely together, by departments, analyzing data and modifying curriculum, programs and/or instruction as needed to improve student achievement. Additionally, there are three full days of Professional Development/Continuous Improvement designated for CAASPP data analysis and yearly Instructional Focus. Through the evaluation process, teachers develop their own goals for professional improvement. New teachers participate in teacher induction programs both through the District and their universities and their colleagues also provide mentoring. New teachers also attend workshops geared to their needs on campus. First and second year teachers are expected to participate in the Induction program and are assigned experienced teachers as Induction support providers. After analyzing the results of the Smarter Balanced Test, the school wide focus is developed.
