GENERAL

1. Welcome Back! The California Scholarship Federation membership sign-ups will start on Thursday, January 10th during lunch in room R-29. Membership is based on your previous semester grades and citizenship. You will need to bring your Fall 2018 semester report card to sign up and \$3 for semester dues.

SENIORS

1. **Seniors!** Grad Nite tickets are on sale Jan 15, 16, & 17. Price is \$190 w/PTSA and \$200 w/o PTSA membership. Only 400 tickets will be sold. Next dates they will be here are Feb 12, 13, & 14, prices will be \$200 w/PTSA and \$210 w/o PTSA membership. You can pick up Grad Nite paper work and the permission slip at the south campus information desk. **YOU MUST HAVE A SIGNED PERMISSION SLIP BEFORE YOU PURCHASE A TICKET!**

STUDENT CENTER

1. **College Visits:** College admissions counselors will be meeting with students on the following dates. Please sign up in the Student Center. Students will be sent a pass before the presentation. Spring visits are for sophomores and juniors.
1/11 Boston University
2. Attention Juniors and Seniors: Do you have a job? Would you like to earn class credit for working? See your counselor or Ms. Severo in the Student Center if you are interested in the Work Experience Education class which meets Mondays, Period 5. You must fill out the application and submit it to Ms. Severo by Tuesday, 1/15, Lunchtime.

SCHOLARSHIPS

1. **#31 The Diversity Advancement Scholarship**, a multiyear scholarship of up to \$20,000, helps minority students pursue successful careers in architecture. The Diversity Advancement Scholarship supports undergraduate minority students who are entering, enrolled in, or transferring into a National Architectural Accrediting Board (NAAB)–accredited undergraduate architecture degree program.
Eligible students must: Be US citizens. Have a minimum 3.0 GPA. Apply for federal student aid.
Be high school students planning to enroll in an NAAB-accredited architecture degree program. Applicants may also be a technical school or community college student who has completed high school or its equivalent and intends to transfer to an NAAB-accredited architecture program. Application deadline: January 16, 2019
Students will need to provide information related to gender, race, and age; school information, including GPA, transcripts, and all NAAB-accredited programs applied for; financial information, such as estimated college expenses and other sources of financial support; a personal essay related to architecture; a résumé, including extracurricular activities and work history; two letters of recommendation; and two samples of creative work (sketches, photographs, sculptures, etc.). Visit <https://architectsfoundation.org/what-we-do/architecturescholarships/diversity-scholarship-educator-resources/> to apply.
2. **#32 The Blacks at Microsoft Scholarship** is a renewable \$5,000 scholarship for outstanding black high school seniors who are interested in pursuing careers in technology.
Eligible students must: Be a high school senior of African descent. Have a cumulative GPA of 3.3 or higher.
Apply for federal student aid. Plan to attend a four-year college or university in the fall of the year following high school graduation. Pursue a bachelor's degree in engineering, computer science, computer information systems, or select business programs (such as finance, business administration, or marketing).
Show a passion for technology and leadership at school or in the community. Application deadline: February 15, 2019
Students will need to provide demographic information; school information, including GPA and transcripts; two letters of recommendation; a résumé including work experience, extracurricular activities, and awards; a photo; and two essays.
Visit for more details and to apply <https://www.microsoft.com/en-us/diversity/programs/blacks-scholarships.as>
3. **#33 Interested in engineering, try the Society of Women Engineers Scholarships.** You'll find a variety of one-time and renewable scholarships offered to incoming freshman women pursuing a degree in engineering. Eligible students must: Be women. Be US citizens or permanent residents of the United States. Have a minimum unweighted GPA of 3.5. Apply for federal student aid. Be full-time students, except for reentry and nontraditional applicants. Application deadline: May 8, 2019
What to expect when applying: Students will need to provide transcripts; an acceptance letter from a college or university indicating acceptance into an Accreditation Board for Engineering and Technology (ABET)–accredited engineering or computer science program for the upcoming academic year; a résumé; one letter of recommendation from a STEM teacher; and one letter of recommendation from an individual who knows the student well but is not a relative.
Apply here: <http://societyofwomenengineers.swe.org/swe-scholarships>

4. **#34 The Hispanic Engineer National Achievement** Awards Conference (HENAAC) Scholars Program is a renewable scholarship of up to \$10,000 per year for Hispanic students pursuing a STEM-related degree. Eligible students must: Be of Hispanic origin and/or must significantly demonstrate leadership or service within the Hispanic community. Have an overall GPA of 3.0 or higher. Demonstrate merit through academic achievements, leadership, and campus/community activities. Be pursuing a science, technology, engineering, or math degree. Be enrolled in an accredited undergraduate or graduate program for the preceding fall semester at an accredited 2- or 4-year college/university in the United States or its territories. Application deadline: TBD (scholarship information to be released in February) What to expect when applying: Students will need to provide transcripts with cumulative GPA; a 700-word essay; current résumé; one peer letter of recommendation; one letter of recommendation from a faculty member, teacher, mentor, advisor, counselor, principal, or dean; and a photo (used for publication purposes only). Go to <http://www.greatmindsinstem.org/college/henaac-scholarship-application-guidelines> to apply.
5. **#35 Try the Generation Google Scholarship**. This scholarship awards \$10,000 to high school seniors who are from an underrepresented group, including African Americans, Hispanics, American Indians, and Filipinos/Native Hawaiians/Pacific Islanders, and intend to study computer science. Eligible students must: Plan to be enrolled full time at a university in the United States or Canada for 2019–2020. Be pursuing a computer science or computer engineering degree (or something closely related). Exhibit high academic achievement. Be a student from an underrepresented group. Application deadline: TBD (scholarship dates to be released in January) Students can apply at https://buildyourfuture.withgoogle.com/scholarships/generation-google-scholarship/#!/?detail-content-tabby_activeEl=overview.
