## Student Expectations

### Discipline Philosophy

Citrus Valley High School takes the safety and security of the students and the campus very seriously. It is expected that all students follow behavioral expectations communicated by staff as well as Ed. Code. Students who are not in compliance with behavioral expectations or who violate Ed. Code will be referred to administration. Consequences for violation of policies and/or Ed. Code are issued to address behavior. Ed Code dictates the use of ***other means of correction*** when it's determined that they will assist in deterring repeated offenses, however some violations may result in immediate suspension and/or recommendation for expulsion. All students are entitled to due process and are part of the disciplinary process.

*Please see the end of this document for a listing of Ed Code and Board Policies pertaining to student safety and behavioral expectations.*

### **Student Dress Code**

The Board of Education has determined that a student may not remain at school dressed in a manner that (1) creates a safety hazard for said student or for other students at school, and/or (2) when the dress disrupts campus order. When the site administration determines that a student's attire is in violation of this policy, the student will be required to modify their clothing and/or apparel in such a way that no longer violates this policy. Refusal to take steps as directed by the administration may result in disciplinary action.

1. Shoes must be worn at all times. A substantial sole is required, and enclosed toe and heel footwear is highly encouraged. Athletic shoes are required for Physical Education classes.
2. Clothing will always cover all undergarments. Undergarments may not be worn solely as clothing (e.g. bra tops, boxer briefs). A jacket or cover-up to conceal brief clothing that reveals undergarments is not acceptable. Extremely brief garments are not appropriate. No garments should be so revealing/brief as to show undergarments while seated or standing.
3. Clothing or accessories shall be free of writing, pictures or any other insignia or logo which are crude, violent, obscene or sexually suggestive or which advocate racial, ethnic or religious prejudice or slogans or pictures depicting or promoting drugs, alcohol, tobacco or controlled substances are not appropriate. Specifically, no clothing that might incite hatred or unrest between students is allowed.
4. Earrings, jewelry, or accessories, which present a safety hazard to the wearer or others, are not suitable for school wear. Spiked/sharp accessories of any kind will not be allowed.
5. Only prescription sunglasses may be worn in class. Other types of sunglasses may be worn on campus outside of class.
6. Identified gang attire or any gang paraphernalia is prohibited. The administration has the right to ban any clothing or accessory that indicates gang affiliation.

7. Hats or any type of sun-protective headgear may be worn on campus, as long as it does not violate any other section of the Dress Code. Hats should be removed while indoors on campus.

If this policy is violated, students will be asked to report to administration and will be provided the opportunity to change into an approved garment. Multiple violations will result in progressive disciplinary action consistent with other means of correction for defiance of school policies.

### **Attendance Expectations**

- CLASS should always be displayed in the hallways and when entering a classroom or other learning space.
- Students are expected to report ON TIME to all classes.
- Students are expected to be present and engaged in their classes on a daily basis.

All absences must be reported to the attendance office at **909-799-2308**. Messages can be left 24 hours a day to excuse a student. When calling the attendance office, please leave the following information:

- Student name (first and last)
- Student grade
- Student date of birth
- Date(s) of absence
- Reason for absence

Regular attendance office hours are 7:30 am - 4:00 pm Monday - Friday.

### **[Attendance/Tardy Policy \(click to view full policy\)](#)**

A student is considered tardy if they are not inside their classroom, or at their assigned instructional space, when the bell rings. Individual teachers may have more detailed requirements within their classroom (for example, students must be in their seats ready to learn when the bell rings). Teachers will mark students tardy in Aeries.

Multiple tardies will result in progressive disciplinary action including detention, campus service, and/or placement on the no-go list. Any student who is tardy by more than 30 minutes will be recorded as having an unexcused absence for that class period.

### **Period 1 Tardies:**

After the first 7 minutes of class, students will be required to have a tardy attendance pass to enter class. Students who show late to class without a pass *must* be marked tardy by their teacher in Aeries.

### **Classroom Interruption Policy**

In order to maintain the best learning environment, classrooms will be interrupted only for the

following emergencies including but not limited to death or serious injury of a family member, household disaster (fire, flood, car accident with injuries), or anything directly affecting the safety of a student.

Messages concerning a change in transportation when received from a parent/guardian will be forwarded to the student's next class, unless it is the student's last class.

Previously unscheduled appointments, which require early dismissal of the student, will be handled through the Attendance Office.

Items delivered to the school at the request of the student who has called home will be held at the switchboard. The student will be responsible for checking for the delivered item(s) during passing periods. A note will be sent to the student to pick the item up at lunch or the end of the day.

**For the safety and security of students, all food, floral, and balloon deliveries will be refused. Concerns should be directed to an Assistant Principal.**

### **Academic Integrity**

Academic honesty is highly valued at Citrus Valley High School. Our school is committed to advancing the pursuit of intellectual excellence and to maintaining the highest standards and expectations for academic integrity among all students. We believe in establishing a school climate and educational environment that promotes ethical and responsible student conduct. Each student is responsible for helping to keep this environment intact.

Teachers and administrators at CVHS understand that pressure to get good grades might create the incentive to cheat. However, we are also certain that neither pressure for grades, inadequate time for studying or completing an assignment, nor unrealistic parental expectations justify students acting dishonestly. As a professional learning community, we affirm that "learning for learning's sake" is intrinsically valued, and we will not tolerate any infractions that create or result in an unfair academic advantage for one student, or a disadvantage for another.

Additionally, Citrus High School asserts the need to prepare our students for the reality created by the technology explosion for the world of college and work, where cheating and plagiarism have dire consequences.

Any kind of work that is submitted as your own, that you did not produce in its entirety is academic dishonesty. Additionally, assisting others in academic dishonesty makes a student equally responsible. Examples include:

- Homework (copying from another student)
- Getting/Giving answers to a test
- Copying from the Internet without quoting as a source or paraphrasing

- Copying or sharing answers/work between students
- Making up sources
- Allowing another student to copy from you
- Plagiarizing from the Internet, written text or other source
- Sharing work via Email

Students who are found to have participated in an act of academic dishonesty will be subject to progressive discipline and other means of correction that may include parent contact, receiving a zero for the assignment or assessment (no credit), class suspension, and/or removal from programs rooted in academic integrity.

### **Lunchtime Boundaries/Hallway Expectations**

Breakfast and lunch are provided daily to ALL in the Bistro and various carts on campus at no cost. **Lunches may not be dropped off for students. Students may not receive any items through the perimeter gates.**

During the regular lunch period each day, students are expected to remain in our Bistro and Main Quad area, unless they are meeting inside a classroom for club activity, academic tutoring, or make-up work. Students are not permitted to loiter outside of the Main Quad area, inside building hallways, or in parking lots during the lunch period. App based food deliveries are prohibited during school hours.

**Students not in class during instructional time must have a hall pass issued by CVHS staff. Security will routinely monitor campus to ensure compliance with this policy.**

### **Skateboards / Bicycles**

Skateboards / Bicycles / Roller Blades / Scooters / Razors are not allowed to be ridden or seen on campus during the instructional day. State helmet law will be enforced. Please place these items in the bike and skateboard racks with a secure lock.

### **Cyber Bullying/Cyber Threats**

If the content that is stated has a negative impact on staff, students, and/or the school community in general or if what is stated is hateful language and it has created an atmosphere where someone feels threatened as well as causes harmful effects, the perpetrator can possibly receive disciplinary actions from the school.

#### Process for Initiating and Responding to Complaints

Any student who feels that he/she has been subjected to unlawful discrimination described above or in district policy is strongly encouraged to immediately contact the Compliance Officer, the principal, or any other staff member. In addition, any student who observes any such incident is strongly encouraged to report the incident to the Compliance Officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported, shall report the incident to the Compliance Officer or principal, within one school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, the principal or compliance officer shall notify the student or parent/guardian of the right to file a formal complaint in accordance with AR 1312.3 - Uniform Complaint Procedures, or, for complaints of sexual harassment that meet the federal Title IX definition, AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Once notified verbally or in writing, the principal or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

#### Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior, as determined from the student's internal sense whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether or not stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as

the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

The district prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment regardless of whether the acts are sexual in nature. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity
2. Disciplining or disparaging a student or excluding the student from participating in activities for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to the student's gender identity
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Using gender-specific slurs
7. Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3), or Title IX sexual harassment procedures (AR 5145.71), as applicable, shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. Right to privacy: A student's transgender or gender-nonconforming status is the student's private information and the district will only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the

district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to the student's status as a transgender or gender-nonconforming student. If the student permits the employee to notify the Compliance Officer, the employee shall do so within three school days.

As appropriate, given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

2. Determining a Student's Gender Identity: The Compliance Officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose

3. Addressing a Student's Transition Needs: The Compliance Officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the Compliance Officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as a transgender or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting his/her educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. Accessibility to Sex-segregated Facilities, Programs, and Activities: When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students.

However, the district shall not require a student to utilize these options because the student is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

(cf. 6145 - Extracurricular and Co-curricular Activities)

(cf. 6145.2 - Athletic Competition)

(cf. 6153 - School-Sponsored Trips)

(cf. 7110 - Facilities Master Plan)

5. Student Records: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. When a student presents government-issued documentation of a name and/or gender change or submits a request for a name and/or gender change through the process specified in Education Code 49070, the district shall update the student's records. (Education Code 49062.5, 49070)

(cf. 5125 - Student Records)

(cf. 5125.1 - Release of Directory Information)

(cf. 5125.3 - Challenging Student Records)

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with the student's gender identity, without the necessity of a court order or a change to the student's official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.

(cf. 5132 – Student Dress Guidelines)

Within one school day of receiving such a report, the school employee shall forward the report to the district's Title IX Coordinator. Any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or Title IX Coordinator. This policy shall apply to all acts constituting unlawful discrimination or harassment related to

school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities, but which may have an impact or create a hostile environment at school.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on one of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, bullying, or retaliation, in violation of law, Board policy, or administrative regulation, shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Students

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment targeted at any student by anyone at school or at a school-sponsored or school-related activity. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint, or testifies about, or otherwise supports a complainant in alleging sexual harassment.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 5131 - Conduct)

(cf. 5131.2 - Bullying)

(cf. 5137 - Positive School Climate)

(cf. 5145.3 - Nondiscrimination/Harassment)

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 5145.71 - Title IX Sexual Harassment Complaint Procedures or BP/AR 1312.3 - Uniform Complaint Procedures, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 5145.71 concurrently meets the requirements of BP/AR 1312.3.

(cf. 1312.1 - Complaints Concerning District Employees)

(cf. 1312.3 - Uniform Complaint Procedures)

(cf. 5141.4 - Child Abuse Prevention and Reporting)

(cf. 5145.71 - Title IX Sexual Harassment Complaint Procedures)

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of the district's sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the district's web site, and including it in student and staff handbooks. All district staff shall be trained regarding the policy.

#### Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex, and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment, even when the alleged victim of the harassment has not complained.
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student,

whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to respond to harassment, prevent recurrence, and address any continuing effect on students

6. Information about the district's procedure for investigating complaints, and the person(s) to whom a report of sexual harassment should be made.

7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues

8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation

#### Disciplinary Actions

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

(cf. 4117.7 - Employment Status Report)

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

#### Record-Keeping

In accordance with law and district policies and regulations, the Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.

(cf. 3580 - District Records)
