

RESTRICTION ENZYME CLEAVAGE OF DNA LAB REPORT POSTER

The Mini Poster is in lieu of a lab report. It should be neat, in order and professional in appearance. Please use a standard piece of poster paper that can be purchased at Target or Walmart. The pre-lab needs to be available electronically in class, up to the Data Chart. The paper will then be cut out and glued onto a poster paper.

Title

Name, Date, Period

Background: typed, 2 paragraphs
