

BLAST Lab Mini-Poster

This poster is done on 2 File Folders. Please glue things in the following order. You should put a piece of colored construction paper behind each section so that the section stands out. Below is an example of how the poster should look. However, the sections on the example are slightly different than ours.

Example of a Completed Mini Poster

Place the Lab Sections in the following order:

Background	Title	Analysis 1-4, answer for all genes
Purpose	Name	Discussion of Error
Hypothesis	Period	Conclusion
Getting Started ?'s	Results	<ul style="list-style-type: none">• Claim• Evidence• Reasoning
Materials	Cladograms with annotations	
Procedure
