## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Redlands eAcademy is a WASC-accredited, public K-12 blended learning school that combines online learning with regular teacher and peer interactions. Our elementary school program uses traditional textbooks in a modified home-schooling format that provides parents with credentialed teachers to assist in planning and instruction while giving students regular peer interactions in small group instructional settings. In Middle School, our students transition to online curriculum while continuing to work in hands-on ways in regular small-group settings with teachers and peers. Our High School program offers full "a-g" courses, science wet labs, and AP courses in a rigorous yet supportive culture. The eAcademy culture emphasizes curiosity, conscientiousness, resilience, persistence, gratitude and self-control in order to develop effective communicators, innovative thinkers and contributing citizens who demonstrate character and leadership.

**MISSION STATEMENT:** Our mission is to equip students with the academic, critical thinking, interpersonal, and leadership skills necessary to confidently achieve their post secondary educational and career goals.

**VISION STATEMENT:** The Redlands eAcademy, in partnership with families, will provide a rigorous and relevant alternative K-12 educational program in a safe and supportive environment that combines standards-based curriculum with digital and small group instruction.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Credentials

## School Facility Conditions and Planned Improvements

Our facility is shared with our district's Continuation High School, the district's independent study program and the Adult School. This year, a majority of the adult school classes have been moved to an off-site location in order to accommodate the growth of eAcademy. The facilities are well-maintained and meet the needs of our students and our program. The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at [www.redlands.k12.ca.us](http://www.redlands.k12.ca.us). The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month of the most recent FIT report:** November 2020

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	70	N/A	57	N/A	50	N/A
Mathematics (grades 3-8 and 11)	43	N/A	44	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## Career Technical Education Programs (School Year 2019-2020)

All 9th graders at Redlands eAcademy take Career Explorations 1st semester. This course is designed to get students thinking beyond WHAT they want to become and move them to seeing HOW they can form and reach career goals. High School students meet with counselors where they use their career path interest inventory to develop a 4-year plan for college and/or career. This plan is revisited and modified over the years in the program. We also partner with our local Regional Occupational Program (CRY-ROP) to offer a Career Express Online course, which takes this planning even further. In 17-18, we added the option of a Career Planning course for 12 graders.

Our district has an administrative position to oversee Career development. Redlands eAcademy has been involved from the beginning with this administrator to plan specific career pathways to offer our students in the coming months and years. Many students of our students already take concurrent classes at our local community college which provides a natural connection to both higher education and career programs. Many of our electives are career-focused as well, including Digital Arts, Intro to Business, Intro to Health Sciences, Career Planning and Development, and Personal Finance.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

Redlands eAcademy has a robust parent community who are actively involved in shaping our school culture. Our PTSA, the first blended learning PTSA in San Bernardino County, is active in fundraising, community involvement and supporting teachers and students at eAcademy. We have regular Coffee with the Principal meetings where feedback from parents is sought and information provided. Our way of doing school naturally involves parents, and our staff depends upon parental feedback to ensure programs are meeting student needs. Information about parental involvement is on the PTSA section of our website, or can be obtained by calling (909) 748-6941.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	0.0	0.0	2.9	3.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	2.16	
Expulsions	0	0.03	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

Our schoolwide safety plan was updated in June of 2020 and shared with staff at the beginning of the 2020-21 school year and with parents at back to school night and coffee with the principal meetings. It includes disaster preparedness teams, dates for monthly drills to rehearse various potential safety situations, including fire, earthquake, and intruder on campus drills. Each team member is briefed of their job as well as the jobs of colleagues. We rehearse these regularly to ensure understanding of procedures and alignment with district procedures, including full disaster drill annually during the Great American Shakeout.

### Types of Services Funded (Fiscal Year 2019-2020)

Redlands eAcademy is a blended learning online school, built on a foundation of independent study. We have crafted a system that combines the independence of traditional IS environments with regular (bi-weekly) face-to-face interaction with teachers and peers in small groups. We offer daily tutoring in math, science, and English for students in need of additional support. We have an SAI support teacher who helps craft and manage pathways for student with IEPs and a Physical Education teacher for all students, K-12. We offer several Middle School and High School elective options, including Theatre Arts, Journalism, Yearbook, and ASB. We also have a Middle School sports program which includes flag football, cross country, soccer and softball, as well as active student clubs including computer coding, yoga, guitar, and others.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	12	4

Our site-specific PD focus last year was focused on understanding Rigor and its role in Common Core implementation, with a particular focus on how to select lesson topics for weekly block time instruction, as well as instructional methodologies to maximize the use of this time. With the absence of 2019 SBAC data due to state suspension of testing, we chose, based on review of internal data showing increased student success in 19-20, to continue our instructional focus on Rigor, specifically on deepening understandings of DOK levels in classroom interactions and increasing alignment of standards to lesson design and planning, with a particular focus on how to do so in a distance learning format. These goals align with our district as well. We have one full day before the school year in August for data analysis, one full day for teacher planning in alignment with these goals typically November that this year was moved to August to help adapt to the DL settings. We also have two staff meetings per month which follow up: one to read and review our professional reading (this year's book is "The Distance Learning Playbook") and one for collaborative planning of lessons that align with the things we learn from our professional reading and data analysis.

In addition, we actively participate in district-provided teacher trainings (over 50 times last year, based on district attendance records), both during and after the school day. After attending these trainings and follow-up sessions, our teachers meet to discuss how what they are learning relates specifically to the blended learning environment, both in staff meetings and team meetings.
