

AFTER-SCHOOL BAND SCHEDULE

5th GRADE After-School Band will begin in mid-October and continue throughout the year until the middle of May! This rehearsal is **IN ADDITION** to our regular classes! We will be working at a slightly faster pace since many of you have played for one year already.

4th GRADE After-School Band will begin the first week in January when we return from Winter Break and continue throughout the year until the middle of May! This rehearsal is **IN ADDITION** to our regular classes! By this time of year you will have made sufficient progress and be ready for a big band environment.

Because the **After-School Band Program** will combine one or more schools together to form the bands, some schools will be bussed after-school to a 'Host' school, where the rehearsals will take place. Host school students will attend right after school in their own school cafeteria. The students bussing from their school to a 'Host' school will go to the music bus and leave at approximately school dismissal time. **Rehearsals will always conclude at 3:30pm.** Students being bussed will return to their own school to walk home or to be picked there. Buses pick up students and depart the host schools at approximately 3:40 to 3:45pm. Actual return time varies depending on distance to the return schools, the # of stops, return order, traffic etc...

Participating Schools:

Mission, Smiley, Victoria, and Bryn Mawr

Host School:

Mission Elementary School – 10568 California St.

Day of the Week:

Mondays (5th grade begins Oct.21st / 4th grade begins Jan.6th)
