### CHAIN LINKS QUOTE OF THE WEEK

“Action is the only remedy to indifference, the most insidious danger of all. Neutrality helps the oppressor, never the victim; silence encourages the tormentor, never the tormented. One person of integrity can make a difference in the world, a difference of life and death through even the smallest of actions.”

Elie Wiesel (1928-2016); Holocaust Survivor, Author (57 books); Nobel Peace Prize Winner
