Instructions for Online Athletic Clearance Packet

RUSD Athletic Packets are ready for the 2022-23 School Year. In order to participate in athletics during the upcoming/current school year, all athletes must complete and submit the online athletic clearance packet linked below before attending any tryouts or practices. Redlands Unified School District is now using a secure registration platform, AthleticClearance.com, that provides our families with a safe, easy, and user-friendly way to sign up for athletics!

Did you complete the online athletic clearance packet for a prior school year? If so, you may use the same account for your students this year. If you have not used it before, please create an account for your family.
