

RUSD STUDENT ACCEPTABLE USE POLICY SUMMARY

Mobile Devices (Personal or District)

- *Personal Mobile Devices are not required in any instructional setting, but may be allowed.
- *Students' Internet capable mobile devices must use the District Internet Network while on school property.
- *Data Plans and fees associated with use are the responsibility of the student.
- *Use during class time must be authorized by the teacher and site administrator.
- *Students may not take, possess, or share photographs, videos, or audio recordings of any individuals without written permission from teacher & other students.
- *Students may not photograph, video, or record instructional material and assessments.
- *The district has no responsibility for lost, stolen, or broken personal devices.

By signing below the student agrees that they will follow the RUSD Acceptable Use Policy. Parents agree that they have read the agreement linked below and understand student responsibilities in RUSD.

Student Name : _____ Student Signature: _____ Date: _____
 Parent Name: _____ Parent Signature: _____ Date: _____

This is not the actual Acceptable Use Policy. This is a summary of the document. The actual document can be found in the Educational Services section of our website at www.redlands.k12.ca.us. Students are accountable for all policies covered in the district AUP.
