June 1, 2019

Dear Families of REVHS 2020 Seniors:

Redlands East Valley High School has contracted with local photography studio JSP Studio to exclusively photograph all senior portraits to be included in our yearbook. The services provided by JSP Studio to our yearbook program are a necessary component in creating a quality yearbook publication that is enjoyed by the entire community. We appreciate your cooperation in working with Joe Soto and his staff of photographers, as they provide extensive photographic services for our students.

Senior yearbook portraits will be taken **on campus in August**. You will be photographed during your English class according to a schedule which will be distributed by English teachers and posted on the REV website. There is no charge to be photographed and you will choose the pose you like best from JSP Studio's online proof gallery. Instructions for viewing and selecting your pose will be given to you at the time you are photographed. If you do not choose your pose by the specified deadline, the photographer will select the best pose and submit it to the Odyssey Yearbook Staff.

You will have the opportunity to purchase value-priced studio quality senior portrait packages from your yearbook pose on the day you are photographed, should you wish to do so.

JSP Studio will offer additional personal senior portrait opportunities for those who want more than the traditional head & shoulders yearbook portrait. It is our expectation that you will find JSP Studio services to be exceptional. Arrangements for this service will be made directly with JSP Studio. Of course, you are free to go to any photographer of your choosing and purchase your own personal photographs.

The **only senior portraits** that will appear in the 2020 yearbook are those taken by JSP Studio from the on campus photo shoot. The continuity of style, size and color in the senior section has contributed to the overall quality of the yearbook. We will continue to strive to pursue excellence in all of our endeavors at Redlands East Valley High School. Best of luck to our seniors in the coming year!

Sincerely,

Principal

Redlands Unified School District
